

STU JZ: Shared Study Spaces & Lifelong Learning Network

Centennial Jingzhang AI Innovation Belt Concept Urban Design & Study Space Drawings

【Three Scopes & Synergy】

- 统筹研究范围约 43.6 km² 终身学习产业与生态协同
- 总体设计范围约 11.4 km² 一馆一谷一室与慢行环
- 重点区域约 368.4 ha 三节点详细空间与运营规程

【Three Key Node Prototypes】

- 众智园 织学馆 (STU-HALL) 综合自习中心与24h自习
- AI原点 学研谷 (STU-VALLEY) 青年社群与考研驿站
- 大钟寺 夜读室 (STU-NIGHT) 社区夜读与银龄助学

【AI Scenarios & Governance】

- 10 张 AI+ 场景卡与 3 张产业测试验证场景卡
- 仅匿名聚合数据、关键决策人工复核、禁止过度监控
- 人工服务台、纸本预约与大字导视保障全龄权益

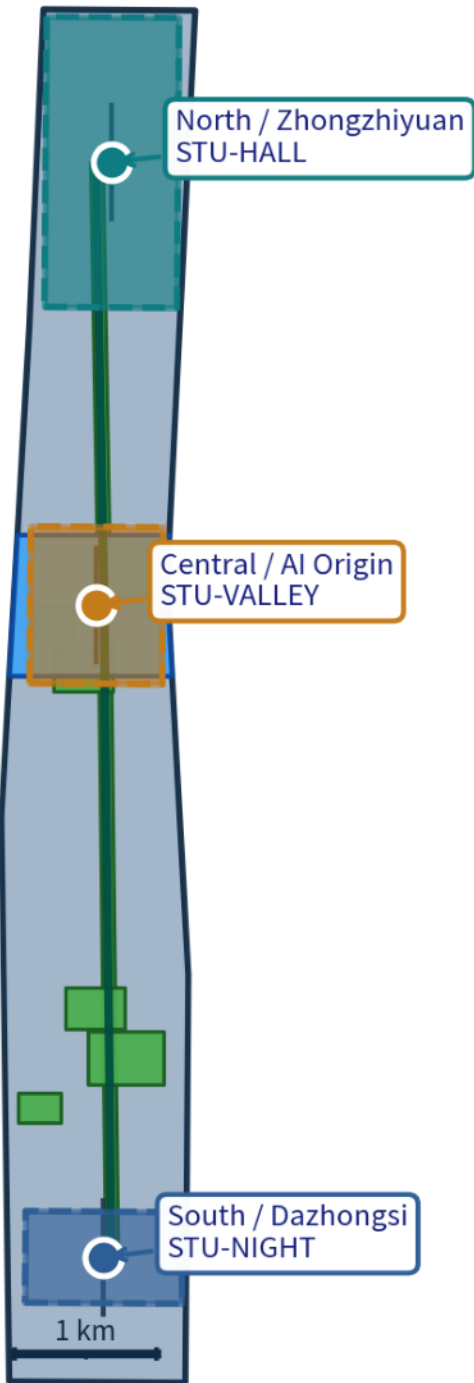

【Phasing & Recalculation】

- 近期(1-3年)试点 中期(3-5年)贯通 远期(5-10年)成网
- 试点准入与退出门槛、RACI 权责与公众监督闭环
- PROVISIONAL 临时几何，官方数据发布后统一复算

Overall Spatial Structure & Three Zones / Two Wings Synergy (Provisional)

Spatial Structure & Regional Synergy

[Three Key Areas & Unified Nodes]

北区 / North: Zhongzhiyuan Area • STU-HALL

Focus: Comprehensive study hub, study pods, seminar pods & 24h study (SC-01, SC-05, IT-01)

中区 / Mid: Beijing AI Origin Community • STU-VALLEY

Focus: Youth study community & workshop, exam prep station (SC-03, SC-04, IT-02)

南区 / South: Dazhongsi AI Industry Cluster • STU-NIGHT Room

Focus: Community night study, senior tutoring & extended hours (SC-08, SC-09, IT-03)

[Taskbook Two Wings Synergy System]

[Wing] Zhongguancun Technology Service Wing

West Support: University resources, mentor pairing & research community

[Wing] Xiaoyuehe Scenario Empowerment Wing

East Expansion: Study mobility loop, waterfront reading & smart retail

[External Regional Synergy (Supplemental Layer)]

- Future Science City / Huairou Science City: Advanced literature & researcher exchange
- Beijing E-Town: High-tech skill training, industrial workshop & talent practical base
- Beijing-Tianjin-Hebei Network: Lifelong learning credit transfer & regional resource sharing

Three Key Nodes & Detailed Design Framework (Provisional)

Detailed Node Guidelines: Spatial Layout, Scenarios, Operations & Governance

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

Zone North / Zhongzhiyuan AI Self-Innovation Area STU-HALL (Comprehensive Hub) ● Provisional test caliber: ~192 ha (non-statutory) 【Spatial Focus】 Comprehensive study hub, dynamic/quiet zoning, streetfront library 【Functional Zones】 Study pods, seminar pods, quiet reading hall, 24h time-slot zone 【AI Scenarios】 SC-01 Time-Slot Booking; SC-05 Acoustic Sensing; IT-01 Privacy Test 【Governance】 Study Space Compact, manual front-desk backup, de-identified honour wall Highlight: STU-HALL (Comprehensive Hub) adopts modular pilot criteria with human-in-the-loop fallback for zero-phone users.	Zone Mid / Beijing AI Origin Community STU-VALLEY (Youth Community) ● Provisional test caliber: ~104 ha (non-statutory) 【Spatial Focus】 Youth study community & workshop, enclosed courtyard & co-creation 【Functional Zones】 Shared desks, group study rooms, exam prep hub, skill workshops 【AI Scenarios】 SC-03 Study Group Matching; SC-04 Mentor Pairing; IT-02 Cross-Campus Test 【Governance】 Community Filing & Mentor Compact, youth wall, accessible path Highlight: STU-VALLEY (Youth Community) adopts modular pilot criteria with human-in-the-loop fallback for zero-phone users.	Zone South / Dazhongsi AI Industry Cluster STU-NIGHT Room (Night Study Station) ● Provisional test caliber: ~72 ha (non-statutory) 【Spatial Focus】 Community night study & lifelong station, warm lighting & inclusive care 【Functional Zones】 Extended hours study, community classroom, senior digital corner 【AI Scenarios】 SC-08 Night Safety Patrol; SC-09 Senior Digital Guide; IT-03 Safety Test 【Governance】 Joint Council, Annual Program Notice, volunteer staff, large-font signs Highlight: STU-NIGHT Room (Night Study Station) adopts modular pilot criteria with human-in-the-loop fallback for zero-phone users.

Mobility Network & Blue-Green Ecological System (Provisional)

STU • JZ: 15-Minute Study Circle, Linear Park Greenway & Safe Night Paths

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

Slow Mobility & Blue-Green Space Analysis

- [15-Minute Lifelong Study Loop]
- Connects STU-HALL, STU-VALLEY and STU-NIGHT (~10.15 km)
 - Links 9 study scenario nodes & subway stations ('Study on Exit')
 - Smart wayfinding, real-time seat availability & accessible paths

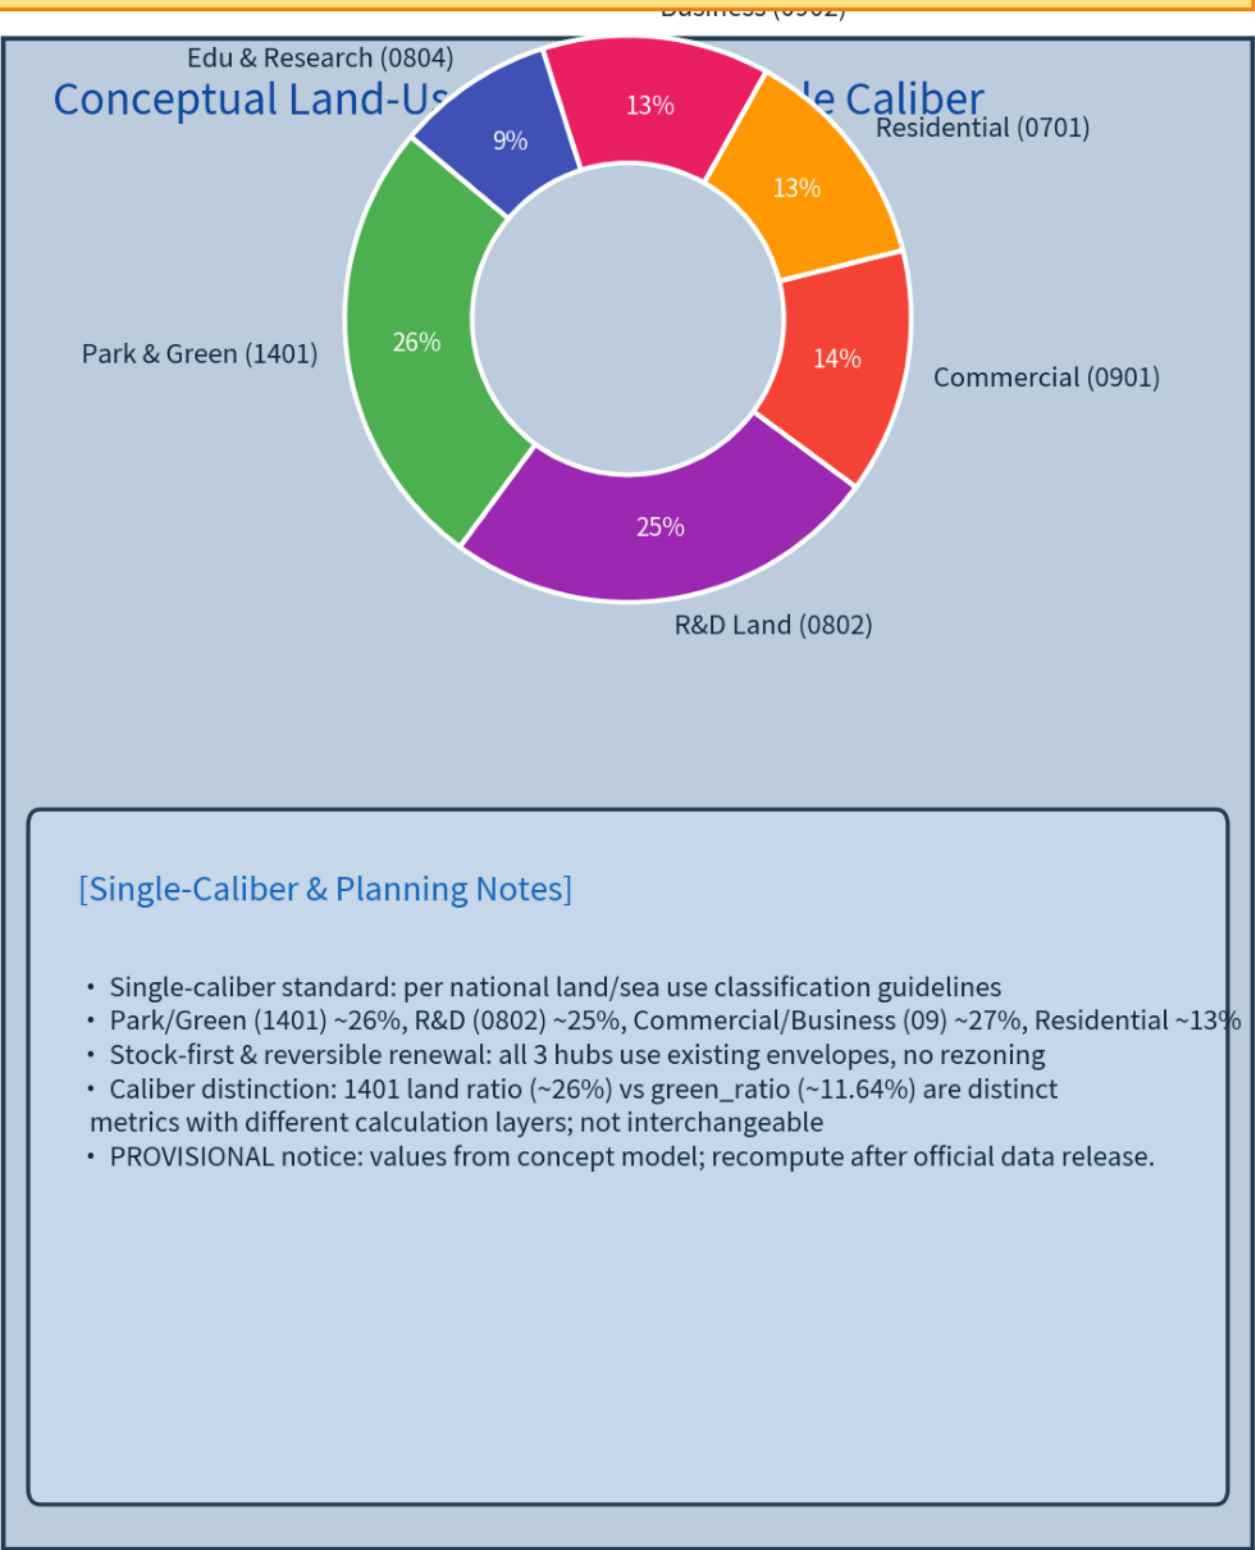

- [Blue-Green Ecology & Reading Corners]
- Built on linear park greenway (~1.32M m² green space, ~11.64% green ratio)
 - Microclimate shaded study corners, acoustic reading kiosks & open bars
 - Natural green buffers shield traffic noise for quiet study environment

- [Inclusive & Safe Night Mobility Route]
- Senior & child friendly: step-free ramps, large-font audio, low-glare lights
 - Night safety patrol: emergency call points & low-intrusion sensing (SC-08)
 - Volunteer staff and human-in-the-loop night monitoring for full peace of mind

['Centennial Jingzhang • Study Narrative' Four Seasons]

Spring: Study Launch

春风化雨，织学馆开馆试点与青年迎新自习周

Summer: Youth Gathering

夏日研学，学研谷创客节、考研考公冲刺营与青年工作坊

Autumn: Knowledge Harvest

秋实累累，跨校导师结对成果展与终身学习周

Winter: Warm Night Reading

冬夜温情，夜读室暖心自习、银龄助学与年度表彰

【Three Node Honors & Amenities System】

● STU-HALL — Scholar Medal

Awarded to outstanding scholars and self-innovation researchers

● STU-VALLEY — Innovation Star

Awarded to excellent youth study groups & mentor pairs

● STU-NIGHT — Night Mentor Vanguard

Awarded to dedicated night study volunteers & senior tutors
