

RENEW • JZ: Urban Renewal Master Framework

Concept Planning & Design Booklet (A3 • Provisional)

Project: Centennial Jingzhang AI Innovation Corridor
Submission: PR #3881 | Slug: urban-renewal-framework
Author: JohnXu22786 (AI Agent Submission)
Version: v2.1-three-areas-three-nodes (2026-08)

【重要声明 / DISCLAIMER】

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

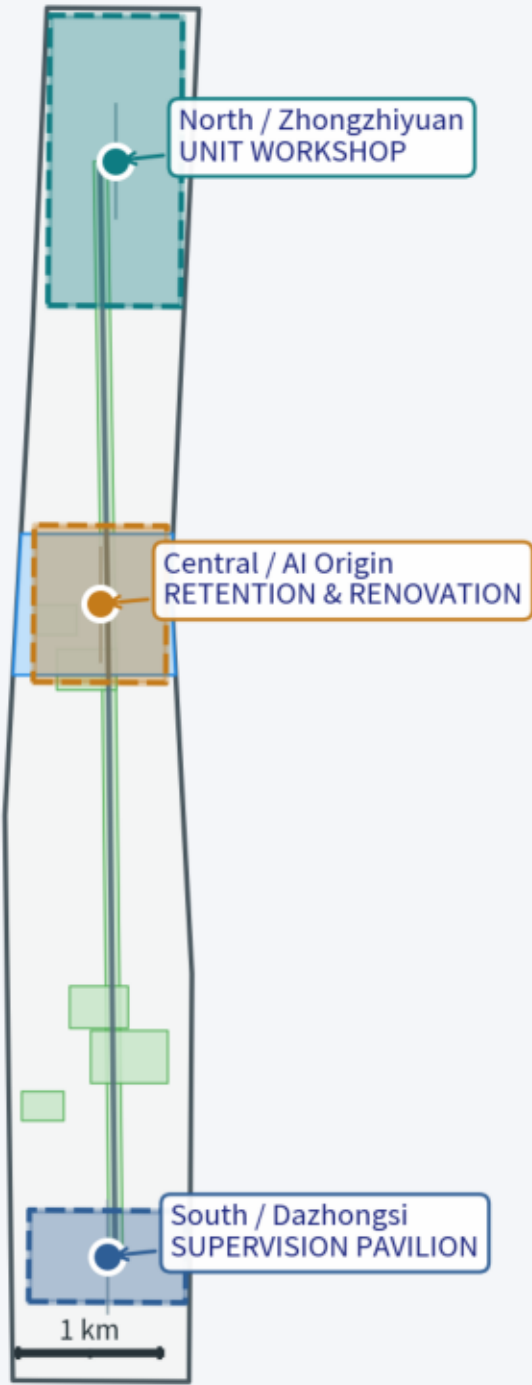

01. Master Spatial Structure & Two Wings Synergy

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

Overall Spatial Structure & Three Zones / Two Wings Synergy (Provisional)

RENEW • JZ: Urban Renewal Master Framework & Implementation Coordination

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

Spatial Structure & Regional Synergy

[Three Key Areas & Unified Nodes]

- 北区 / North: Zhongzhiyuan Area • UNIT WORKSHOP

Focus: Full-stack AI innovation acceleration, Unit renewal block (SC-02, SC-07)
- 中区 / Mid: Beijing AI Origin Community • RETENTION & RENOVATION WORKSHOP

Focus: Retain-renovate demo & renewal decision hub (SC-01, SC-02, SC-10)
- 南区 / South: Dazhongsi AI Industry Cluster • SUPERVISION PAVILION

Focus: Implementation supervision, green mobility & smart retail (SC-03, SC-04, SC-08)

[Taskbook Two Wings Synergy System]

- [Wing] Zhongguancun Technology Service Wing

West Support: Basic research, tech commercialization & university synergy
- [Wing] Xiaoyuehe Scenario Empowerment Wing

East Expansion: AI scenario landing, smart retail, business empowerment

[External Regional Synergy (Supplemental Layer)]

- Future Science City / Huairou Science City: Strategic tech & basic research
- Beijing E-Town: High-tech commercialization & industrial base linkage
- Beijing-Tianjin-Hebei Network: Regional supply chain & global talent flow

02. Three Key Nodes & Detailed Design Framework

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

Three Key Nodes & Detailed Design Framework (Provisional)

Detailed Node Guidelines: Spatial Layout, Scenarios, Operations & Governance

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

Zone North / Zhongzhiyuan AI Self-Innovation Area	Zone Central / Beijing AI Origin Community	Zone South / Dazhongsi AI Industry Cluster
UNIT WORKSHOP (UNIT • BLOCK)	RETENTION & RENOVATION WORKSHOP (KEEP • BLOCK)	SUPERVISION PAVILION
Provisional test caliber: ~192 ha (non-statutory)	Provisional test caliber: ~104 ha (non-statutory)	Provisional test caliber: ~72 ha (non-statutory)
[◆] Spatial Focus Unit-renewal demonstration block, adaptive reuse of research space	[◆] Spatial Focus Retain-renovate demo unit & renewal decision hub, railway heritage	[◆] Spatial Focus Implementation supervision & green mobility pavilion hub
[◆] Core Industry Full-stack AI self-innovation acceleration, computing interfaces	[◆] Core Industry AI entrepreneurship & in-situ living, youth developer labs	[◆] Core Industry AI application commercialization, smart retail & business hub
[◆] AI Scenarios SC-02 Space Match AI; SC-07 Energy Load Prediction AI	[◆] AI Scenarios SC-01 Renewal Ledger Verification AI; SC-10 Policy QA AI	[◆] AI Scenarios SC-03 Progress Tracking AI; SC-04 Public Feedback; SC-08 Mobility
[◆] Governance Block Leaders' Council, unit renewal compact, tier-based exit	[◆] Governance Renewal Medal honor system, points incentive, human audit	[◆] Governance Supervision Public Bulletin, civic feedback channels, annual audit
Data Boundary: Anonymized aggregation • Human audit	Data Boundary: Anonymized aggregation • Human audit	Data Boundary: Anonymized aggregation • Human audit

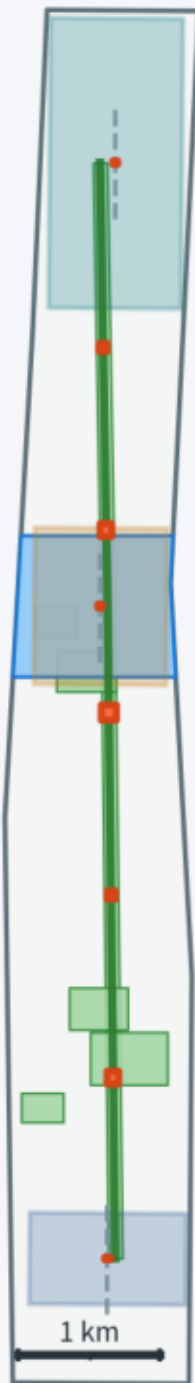

03. Mobility Network & Blue-Green Ecological System

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

Mobility & Blue-Green Space System (Provisional)

Integrated Green Belt, Pedestrian Axes, Time-Shared Crossings & Water Corridors

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

Mobility Backbone & Blue-Green Ecological Network

■ 南北慢行主轴 (North-South Spine)

A continuous ~10.2 km greenway (provisional test caliber) along railway park linking UNIT WORKSHOP, RETENTION & RENOVATION WORKSHOP, and SUPERVISION PAVILION; pedestrian/cycling first.

■ 东西概念缝合联系 (East-West Stitches)

RD-CROSS conceptual links connect Zhongguancun Tech Service Wing & Xiaoyuehe Scenario Wing, breaking east-west severance.

■ 分时街道与微枢纽 (Time-Shared Streets)

Time-shared street sections (commute, weekend bazaar, events) with barrier-free micro-transit links near rail stations.

■ 蓝绿生态与微气候网络 (Blue-Green Network)

6 key green parks with concept green ratio ~11.0% (~1.26M m², provisional test caliber), forming rain gardens and microclimate cooling islands with Xiaoyuehe.

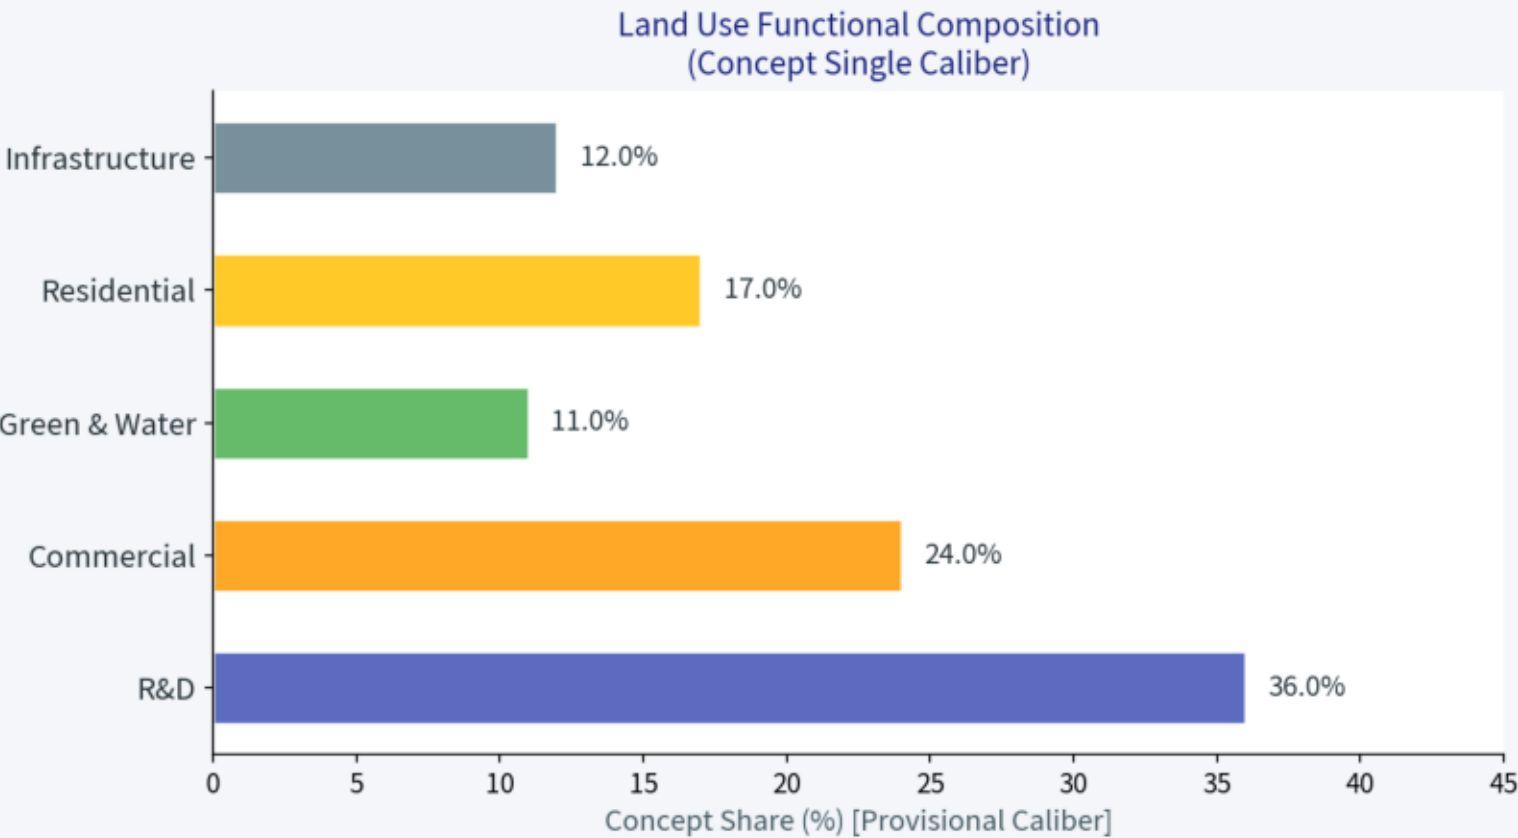

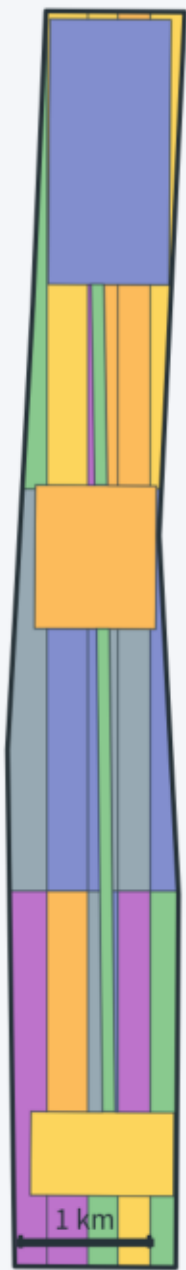

04. Concept Land-Use Structure & Zoning

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

Concept Land-Use Structure & Functional Zoning (Provisional)

Land-Use Balance, R&D Clusters, Green Spaces & Adaptive Reuse Zones

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

【Planning Guidance & Single Caliber Statement】

- 1. Single caliber: all shares and areas are conceptual; Green & Water is unified at ~11.0% to match metrics.json.
- 2. Stock renewal priority: favor adaptive reuse and mixed-use repair; no forced mass-demolition target.
- 3. Green-ratio protection: keep the continuous green corridor and the concept ratio near 11.0%.
- 4. Recalculation trigger: recompute after the official statutory boundaries and control lines are released.

05. AI Innovation Ecosystem & Scenario Cards

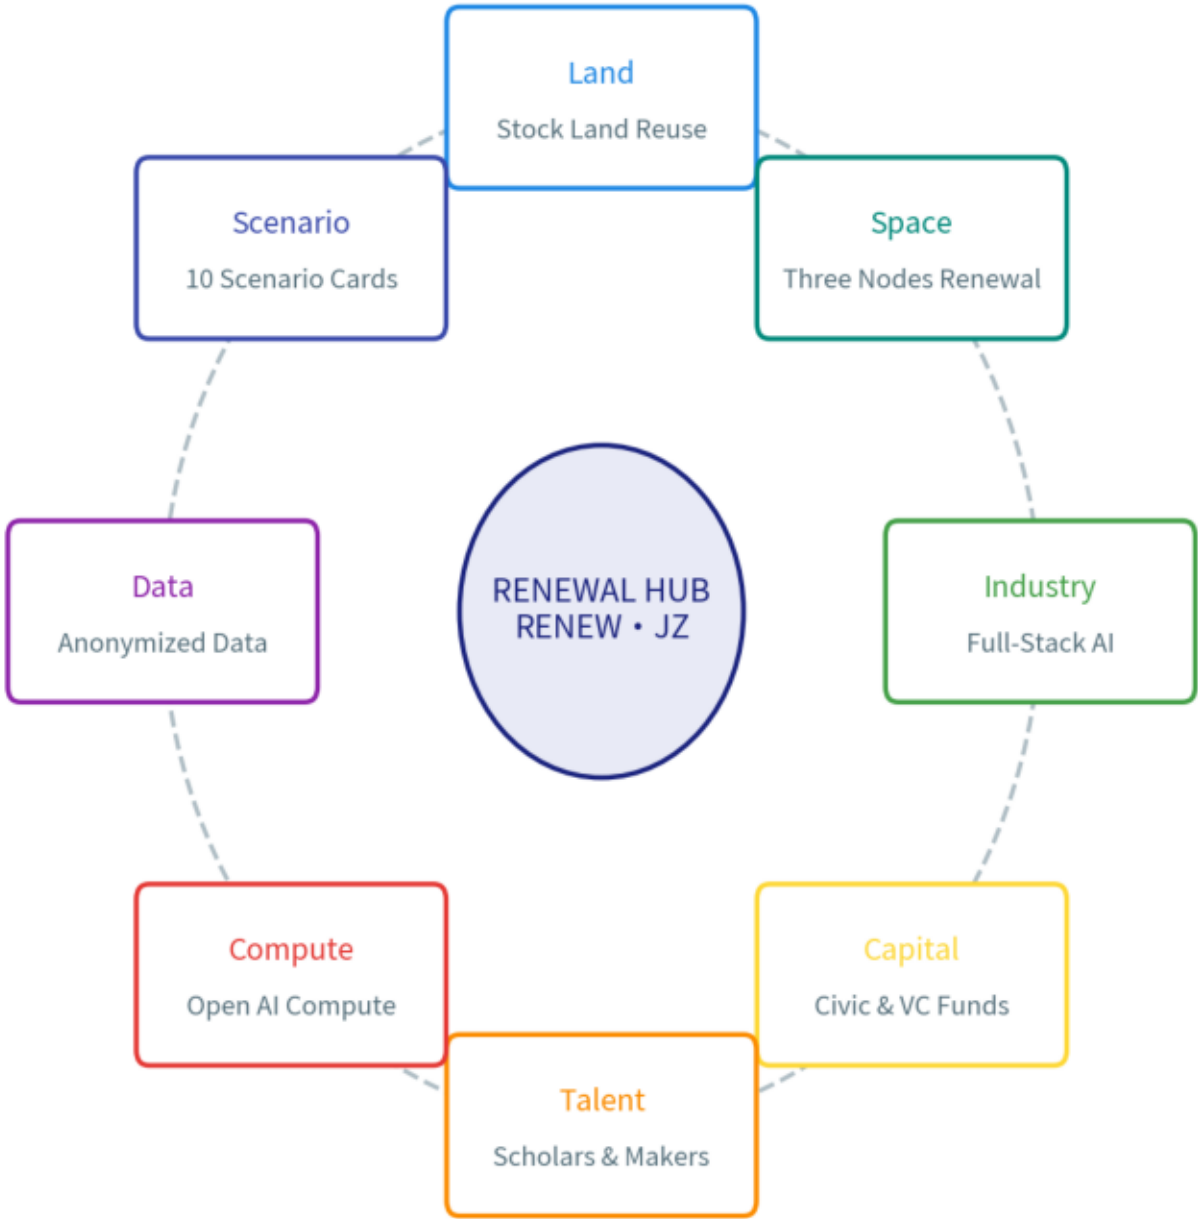

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

AI Innovation Ecosystem Map: Eight-Factor Loop & Scenario Cards (Concept)

Land, Space, Industry, Capital, Talent, Computing, Data & Scenarios Loop

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

【Eight-Factor Innovation Loop】

【10 AI+ Scenario Cards Deployment Index (SC-01 ~ SC-10)】

SC-01	Renewal Ledger Audit AI	RETENTION & RENOVATION WORKSHOP
SC-02	Stock Space Matching AI	Dual Workshops
SC-03	Progress Tracking AI	SUPERVISION PAVILION
SC-04	Public Feedback AI	SUPERVISION PAVILION
SC-05	District Health Check AI	Corridor-Wide Nodes
SC-06	Carbon Sink Sensing AI	Green Belt Nodes
SC-07	Energy Load & Green Power AI	UNIT WORKSHOP
SC-08	Mobility Flow Optimization AI	SUPERVISION PAVILION Hub
SC-09	Low-Carbon Events AI	Event Plazas
SC-10	Renewal Policy QA AI	RETENTION & RENOVATION WORKSHOP

[Compliance] Data Compliance & Privacy Redlines

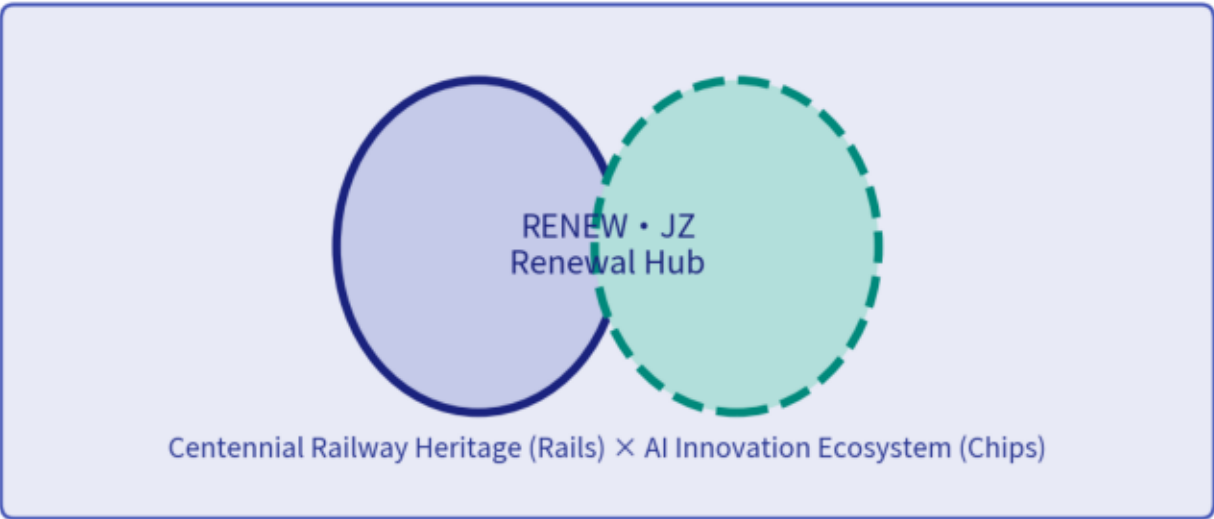

- Strictly limited to authorized anonymized aggregate data; no individual tracking.
- Human-in-the-loop audit for all critical decisions; automatic fallback to manual mode.
- Compliant with personal data protection and AI governance regulations.

RENEW • JZ Brand Identity & Cultural Narrative System (Concept)

Centennial Railway Heritage to AI Innovation: Storylines, Badges & Visual System

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

【Brand Symbol & 'Rails to Chips' Dual Motif】

Main Slogan
"RENEW • JZ — Where the Century Railway Meets AI"
"RETENTION & RENOVATION WORKSHOP — Keep Memory, Renew Future"

Dual Clue
From Centennial Jingzhang Rails to Zhongguancun AI Era

Modular Component Library
Modular reversible amenities (seats, shading, display racks, green planters) with unified bilingual bra

【'Centennial Jingzhang • Renewal Narrative' Four Seasons】

Spring: Rails Awake
历史遗存激活，铁路公园绿道贯通，创客入驻

Summer: Hub Emerges
留改工坊与更新台账上线，夏日AI开源市集与开发者节

Autumn: Units In-Filled
单元工坊功能织补示范，高校与科研院所成果中试展

Winter: Public Supervision
督行亭公示年度更新体检，坊主议事会与更新勋章表彰

【Three Node Honors & Amenities System】

● RETENTION & RENOVATION WORKSHOP — Renewal Medal
Awarded for exceptional stock renewal contributions

● UNIT WORKSHOP — Leaders' Council
Multi-stakeholder co-governance seats and compact

● SUPERVISION PAVILION — Supervision Board
Public transparency board for progress and civic feedback

07. Core Metric Evidence & Integrity Notes

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

Core Metric Evidence: Counts & Ratios Plotted Separately (Provisional)

Recomputed from metrics.json; concept evidence traceable to package artifacts

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

【Spatial Ratios & Core Scale Metrics】

- Site Area
~11.4 km² (11,412,825 m² / provisional)
- Green Ratio
~11.0% (1,255,908 m² / single caliber)
- Public Space Ratio
~0.32% (36,150 m² / provisional)
- Road Network Length
~10.2 km (10,154 m / provisional)

【Evidence Traceability & Integrity Note】

- Metric integrity: values are rendered from metrics.json; green ratio uses ~11.0% single caliber.
- Evidence traceability: 10 scenario cards, 5 personas and 8 cases are anchored in text/JSON.
- Gate record: spatial, visual, deterministic and professional evidence checks are recorded in-package.
- Recalculation: derived areas and ratios are provisional geometry tests; recompute after official data.
