Overall Spatial Structure & Three Zones / Two Wings Synergy (Provisional)

RENEW • JZ: Urban Renewal Master Framework & Implementation Coordination

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

Spatial Structure & Regional Synergy

【Three Key Areas & Specific Nodes】

北区 / North: Zhongzhiyuan Area • Unit Workshop (UNIT • BLOCK)

Focus: Full-stack AI innovation acceleration, Unit renewal block (SC-02, SC-07)

中区 / Mid: Beijing AI Origin Community • Keep-Renovate (KEEP • BLOCK)

Focus: Retain-renovate demo & renewal decision hub (SC-01, SC-02, SC-10)

南区 / South: Dazhongsi AI Industry Cluster • Gov Pavilion (PAVILION)

Focus: Implementation supervision, green mobility & smart retail (SC-03, SC-04, SC-08)

【Taskbook Two Wings Synergy System】

【翼】 Zhongguancun Technology Service Wing

West Support: Basic research, tech commercialization & university synergy

【翼】 Xiaoyuehe Scenario Empowerment Wing

East Expansion: AI scenario landing, smart retail, business empowerment

【External Regional Synergy (Supplemental Layer)】

- Future Science City / Huairou Science City: Strategic tech & basic research
- Beijing E-Town: High-tech commercialization & industrial base linkage
- Beijing-Tianjin-Hebei Network: Regional supply chain & global talent flow

Three Key Nodes & Detailed Design Framework (Provisional)

Detailed Node Guidelines: Spatial Layout, Scenarios, Operations & Governance

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

Zone North / Zhongzhiyuan AI Self-Innovation Area

Unit Workshop (UNIT • BLOCK)

Approx 192.1 ha (provisional)

【◆】 Spatial Focus

Unit-renewal demonstration block, adaptive reuse of research space

【◆】 Core Industry

Full-stack AI self-innovation acceleration, computing interfaces

【◆】 AI Scenarios

SC-02 Space Match AI; SC-07 Energy Load Prediction AI

【◆】 Governance

Block Leaders' Council, unit renewal compact, tier-based exit

Data Boundary: Anonymized aggregation • Human audit

Zone Central / Beijing AI Origin Community

Keep-Renovate Workshop (KEEP • BLOCK)

Approx 104.3 ha (provisional)

【◆】 Spatial Focus

Retain-renovate demo unit & renewal decision hub, railway heritage

【◆】 Core Industry

AI entrepreneurship & in-situ living, youth developer labs

【◆】 AI Scenarios

SC-01 Renewal Ledger Verification AI; SC-10 Policy QA AI

【◆】 Governance

Renewal Medal honor system, points incentive, human audit

Data Boundary: Anonymized aggregation • Human audit

Zone South / Dazhongsi AI Industry Cluster

Governance Pavilion (SUPERVISION PAVILION)

Approx 72.0 ha (provisional)

【◆】 Spatial Focus

Implementation supervision & green mobility pavilion hub

【◆】 Core Industry

AI application commercialization, smart retail & business hub

【◆】 AI Scenarios

SC-03 Progress Tracking AI; SC-04 Public Feedback; SC-08 Mobility

【◆】 Governance

Supervision Public Bulletin, civic feedback channels, annual audit

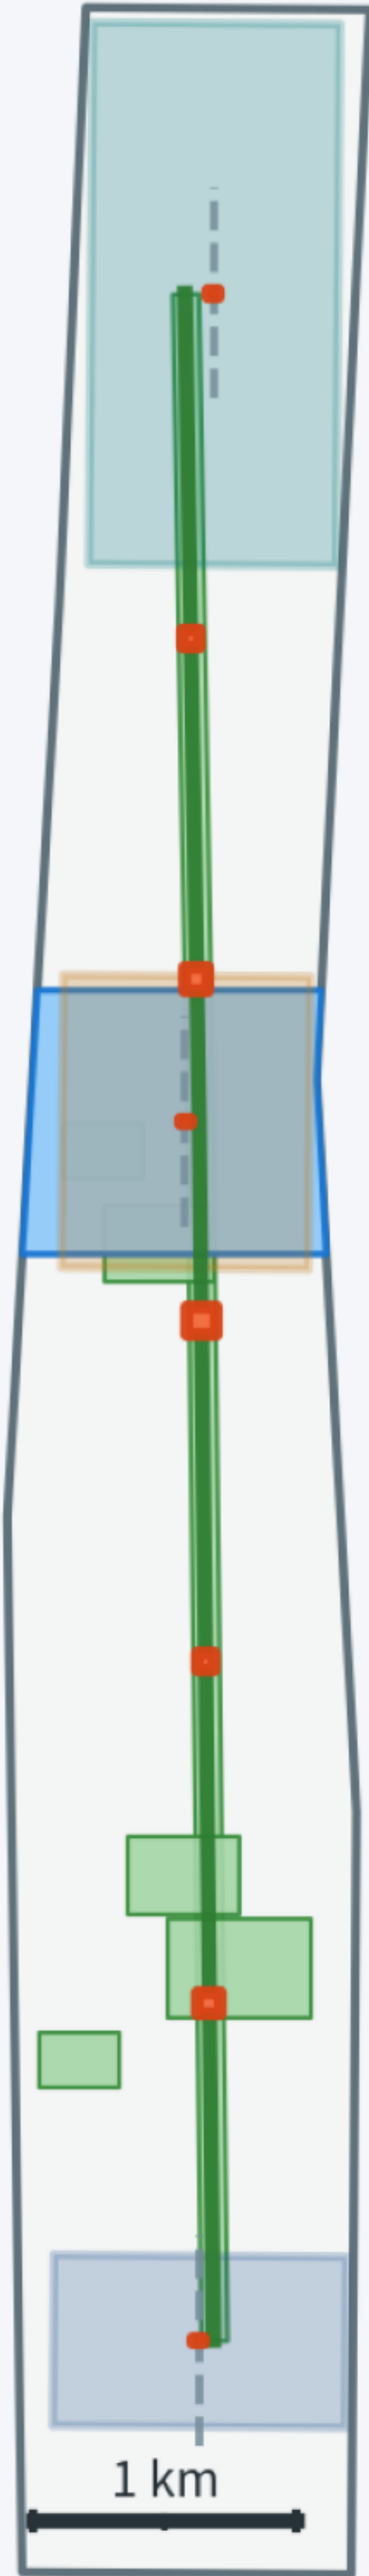

Data Boundary: Anonymized aggregation • Human audit

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

Mobility & Blue-Green Space System (Provisional)

Integrated Green Belt, Pedestrian Axes, Time-Shared Crossings & Water Corridors

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

Mobility Backbone & Blue-Green Ecological Network

南北慢行主轴 (North-South Spine)

A continuous 10.2 km greenway along the railway park linking Unit Workshop, Keep-Renovate & Gov Pavilion; pedestrian/cycling first.

东西概念缝合联系 (East-West Stitches)

RD-CROSS conceptual links connect Zhongguancun Tech Service Wing & Xiaoyuehe Scenario Wing, breaking east-west severance.

分时街道与微枢纽 (Time-Shared Streets)

Time-shared street sections (commute, weekend bazaar, events) with barrier-free micro-transit links near rail stations.

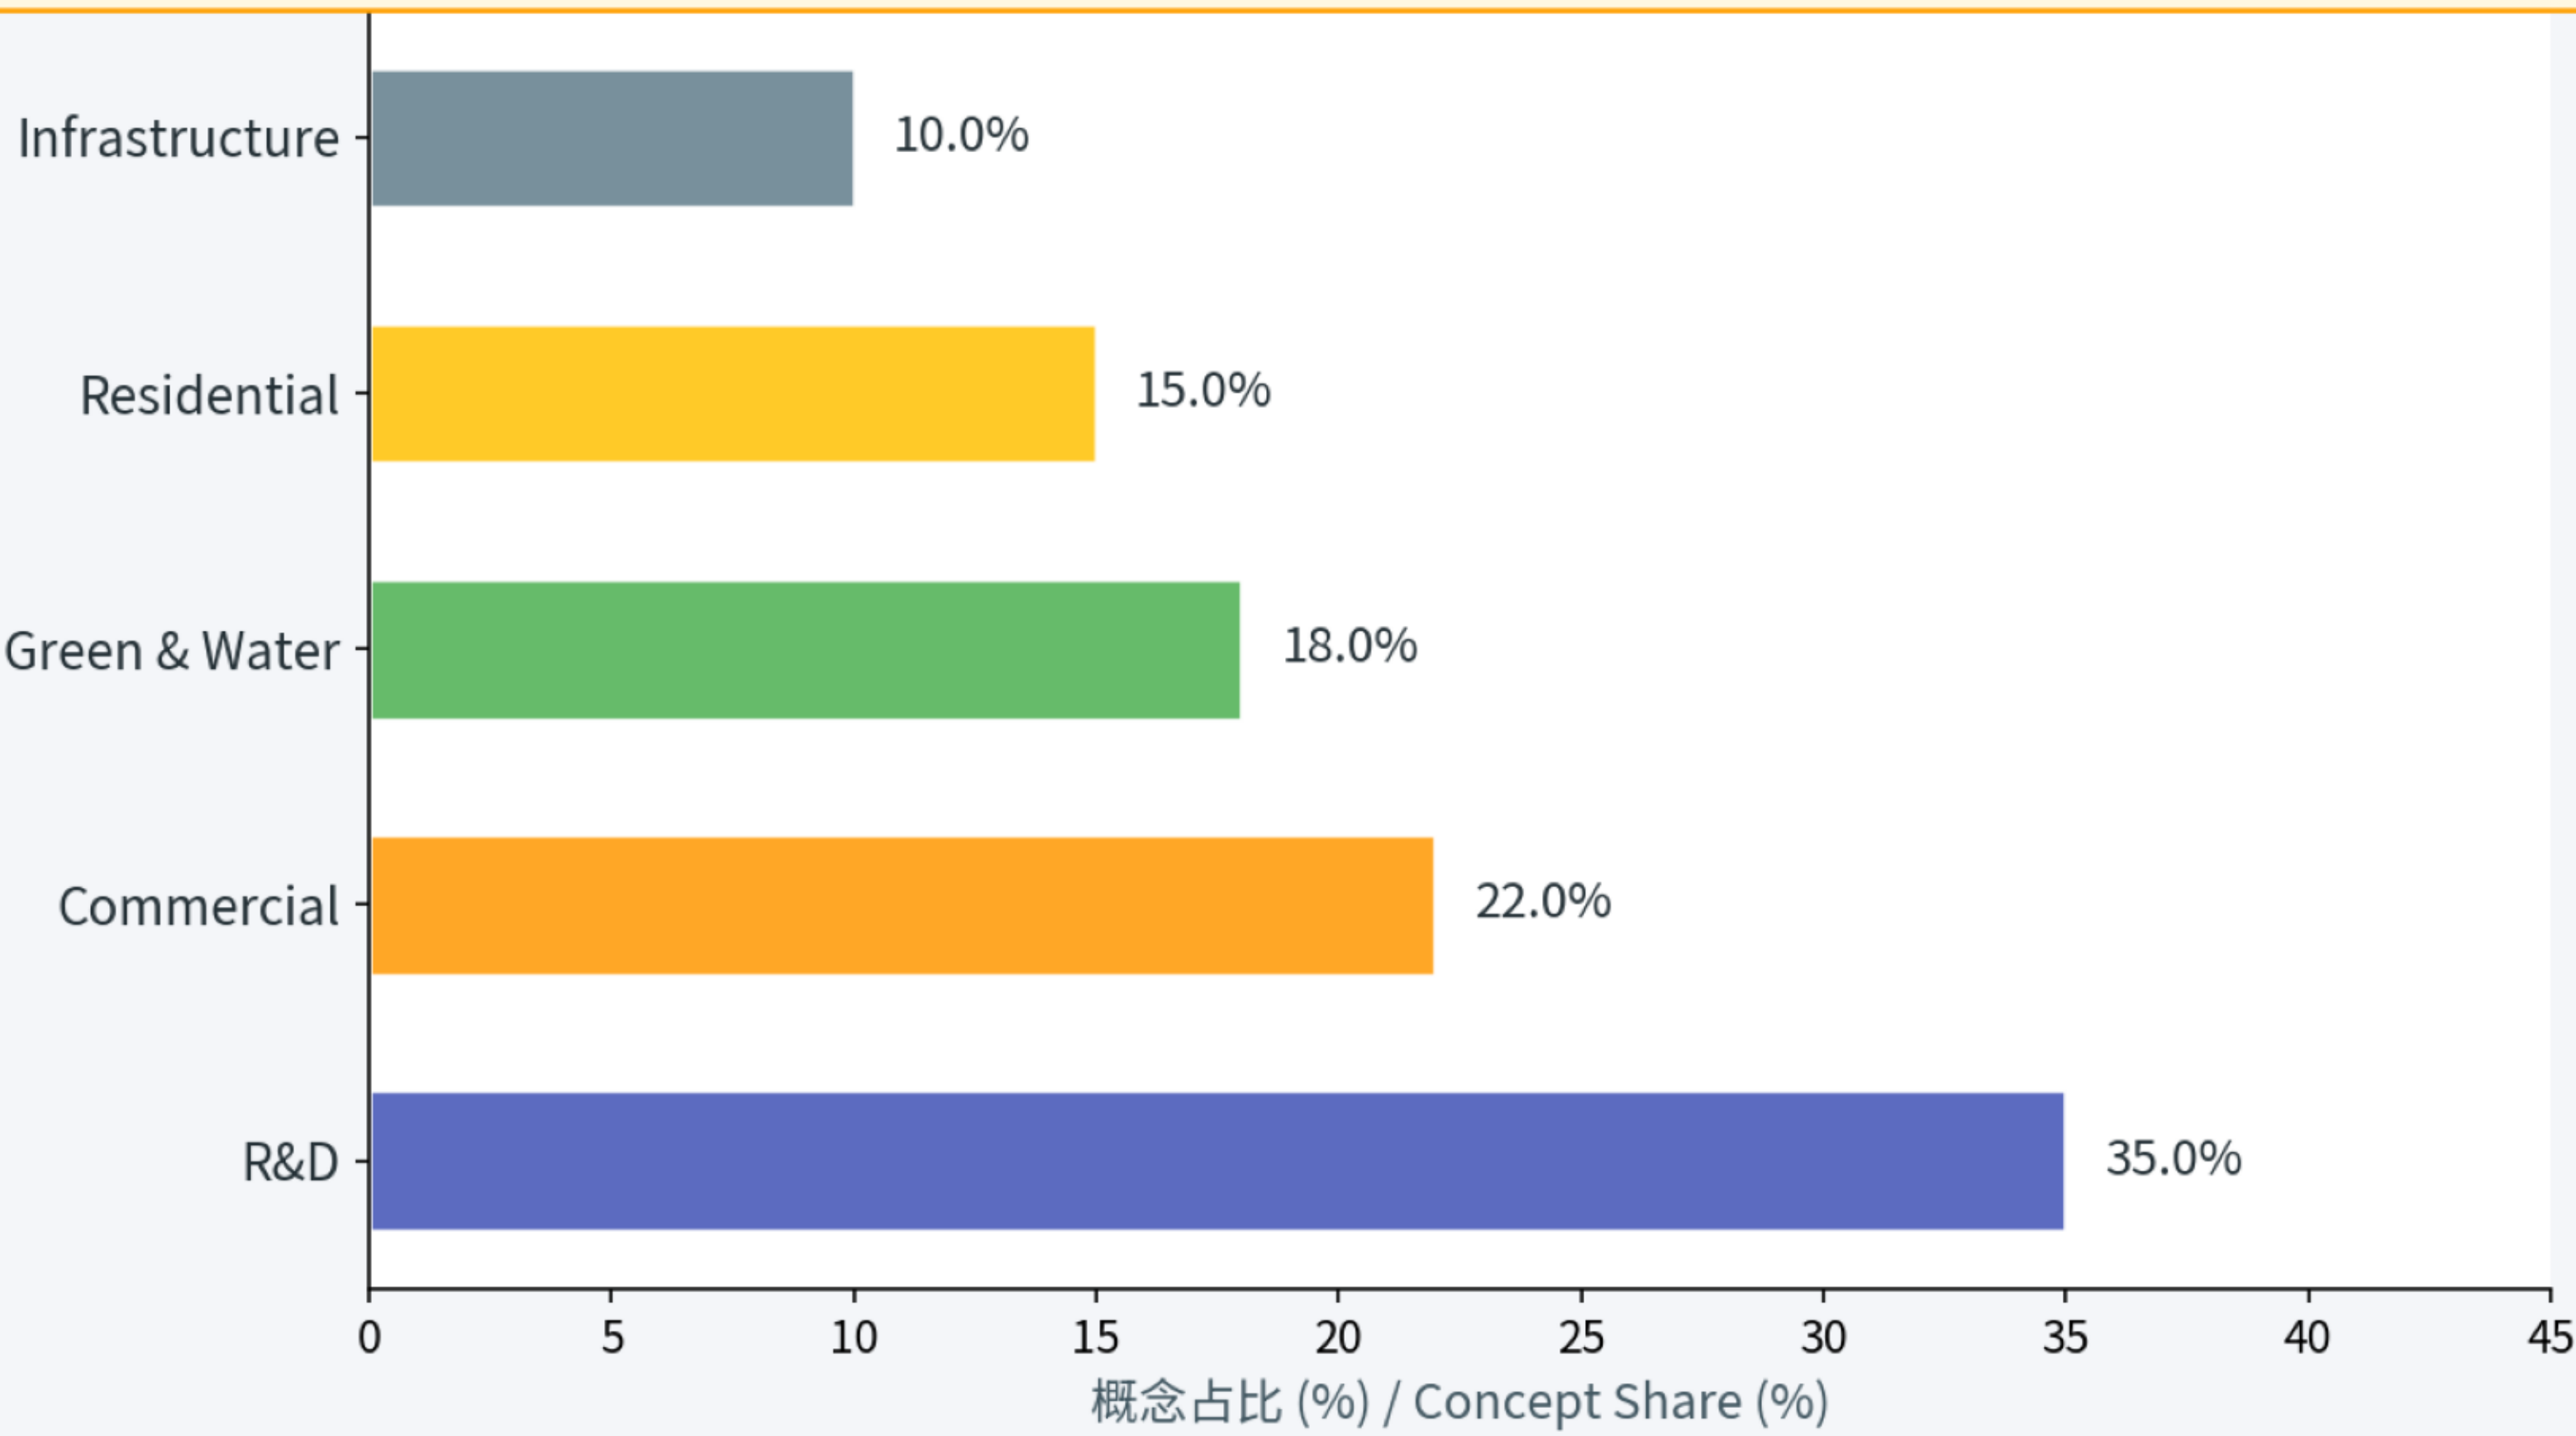

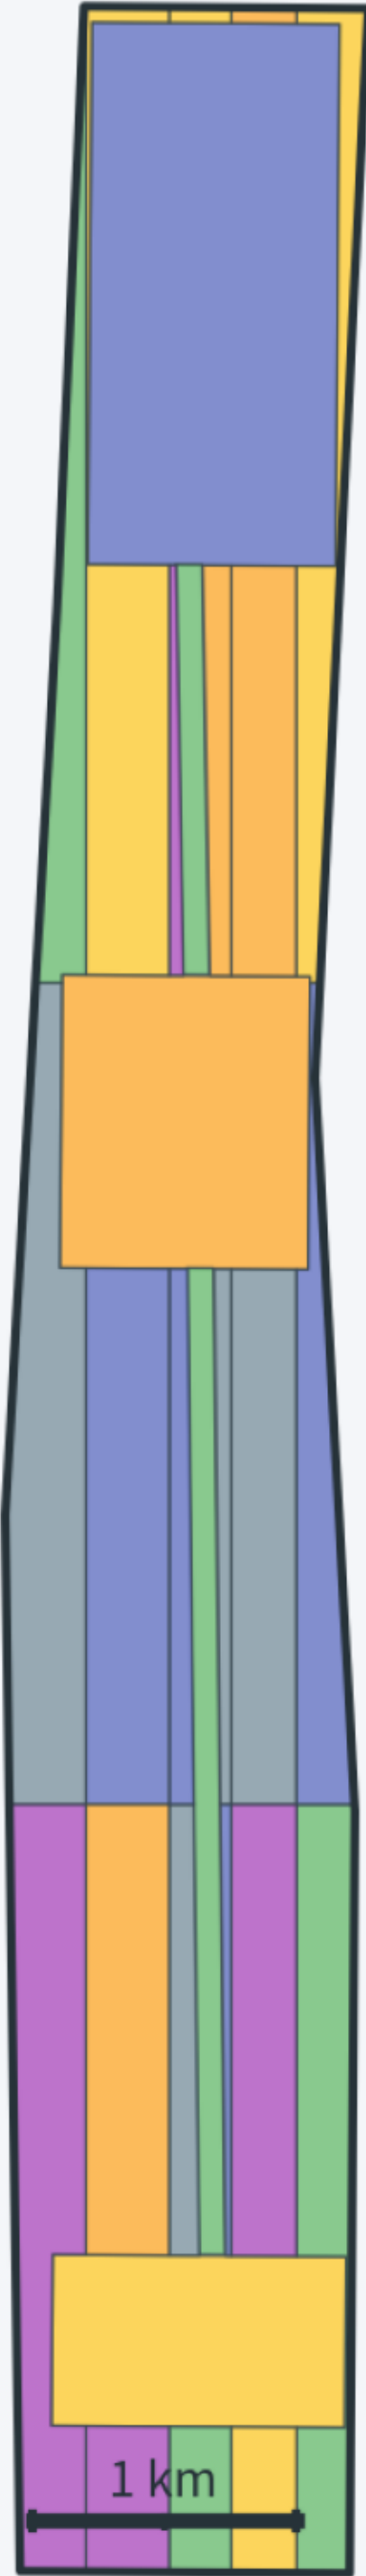

蓝绿生态与微气候网络 (Blue-Green Network)

6 key green parks with 11.00% green ratio (1.26M m²), forming rain gardens and microclimate cooling islands with Xiaoyuehe.

Concept Land-Use Structure & Functional Zoning (Provisional)

Land-Use Balance, R&D Clusters, Green Spaces & Adaptive Reuse Zones

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

【Planning Guidance & Recalculation Note】

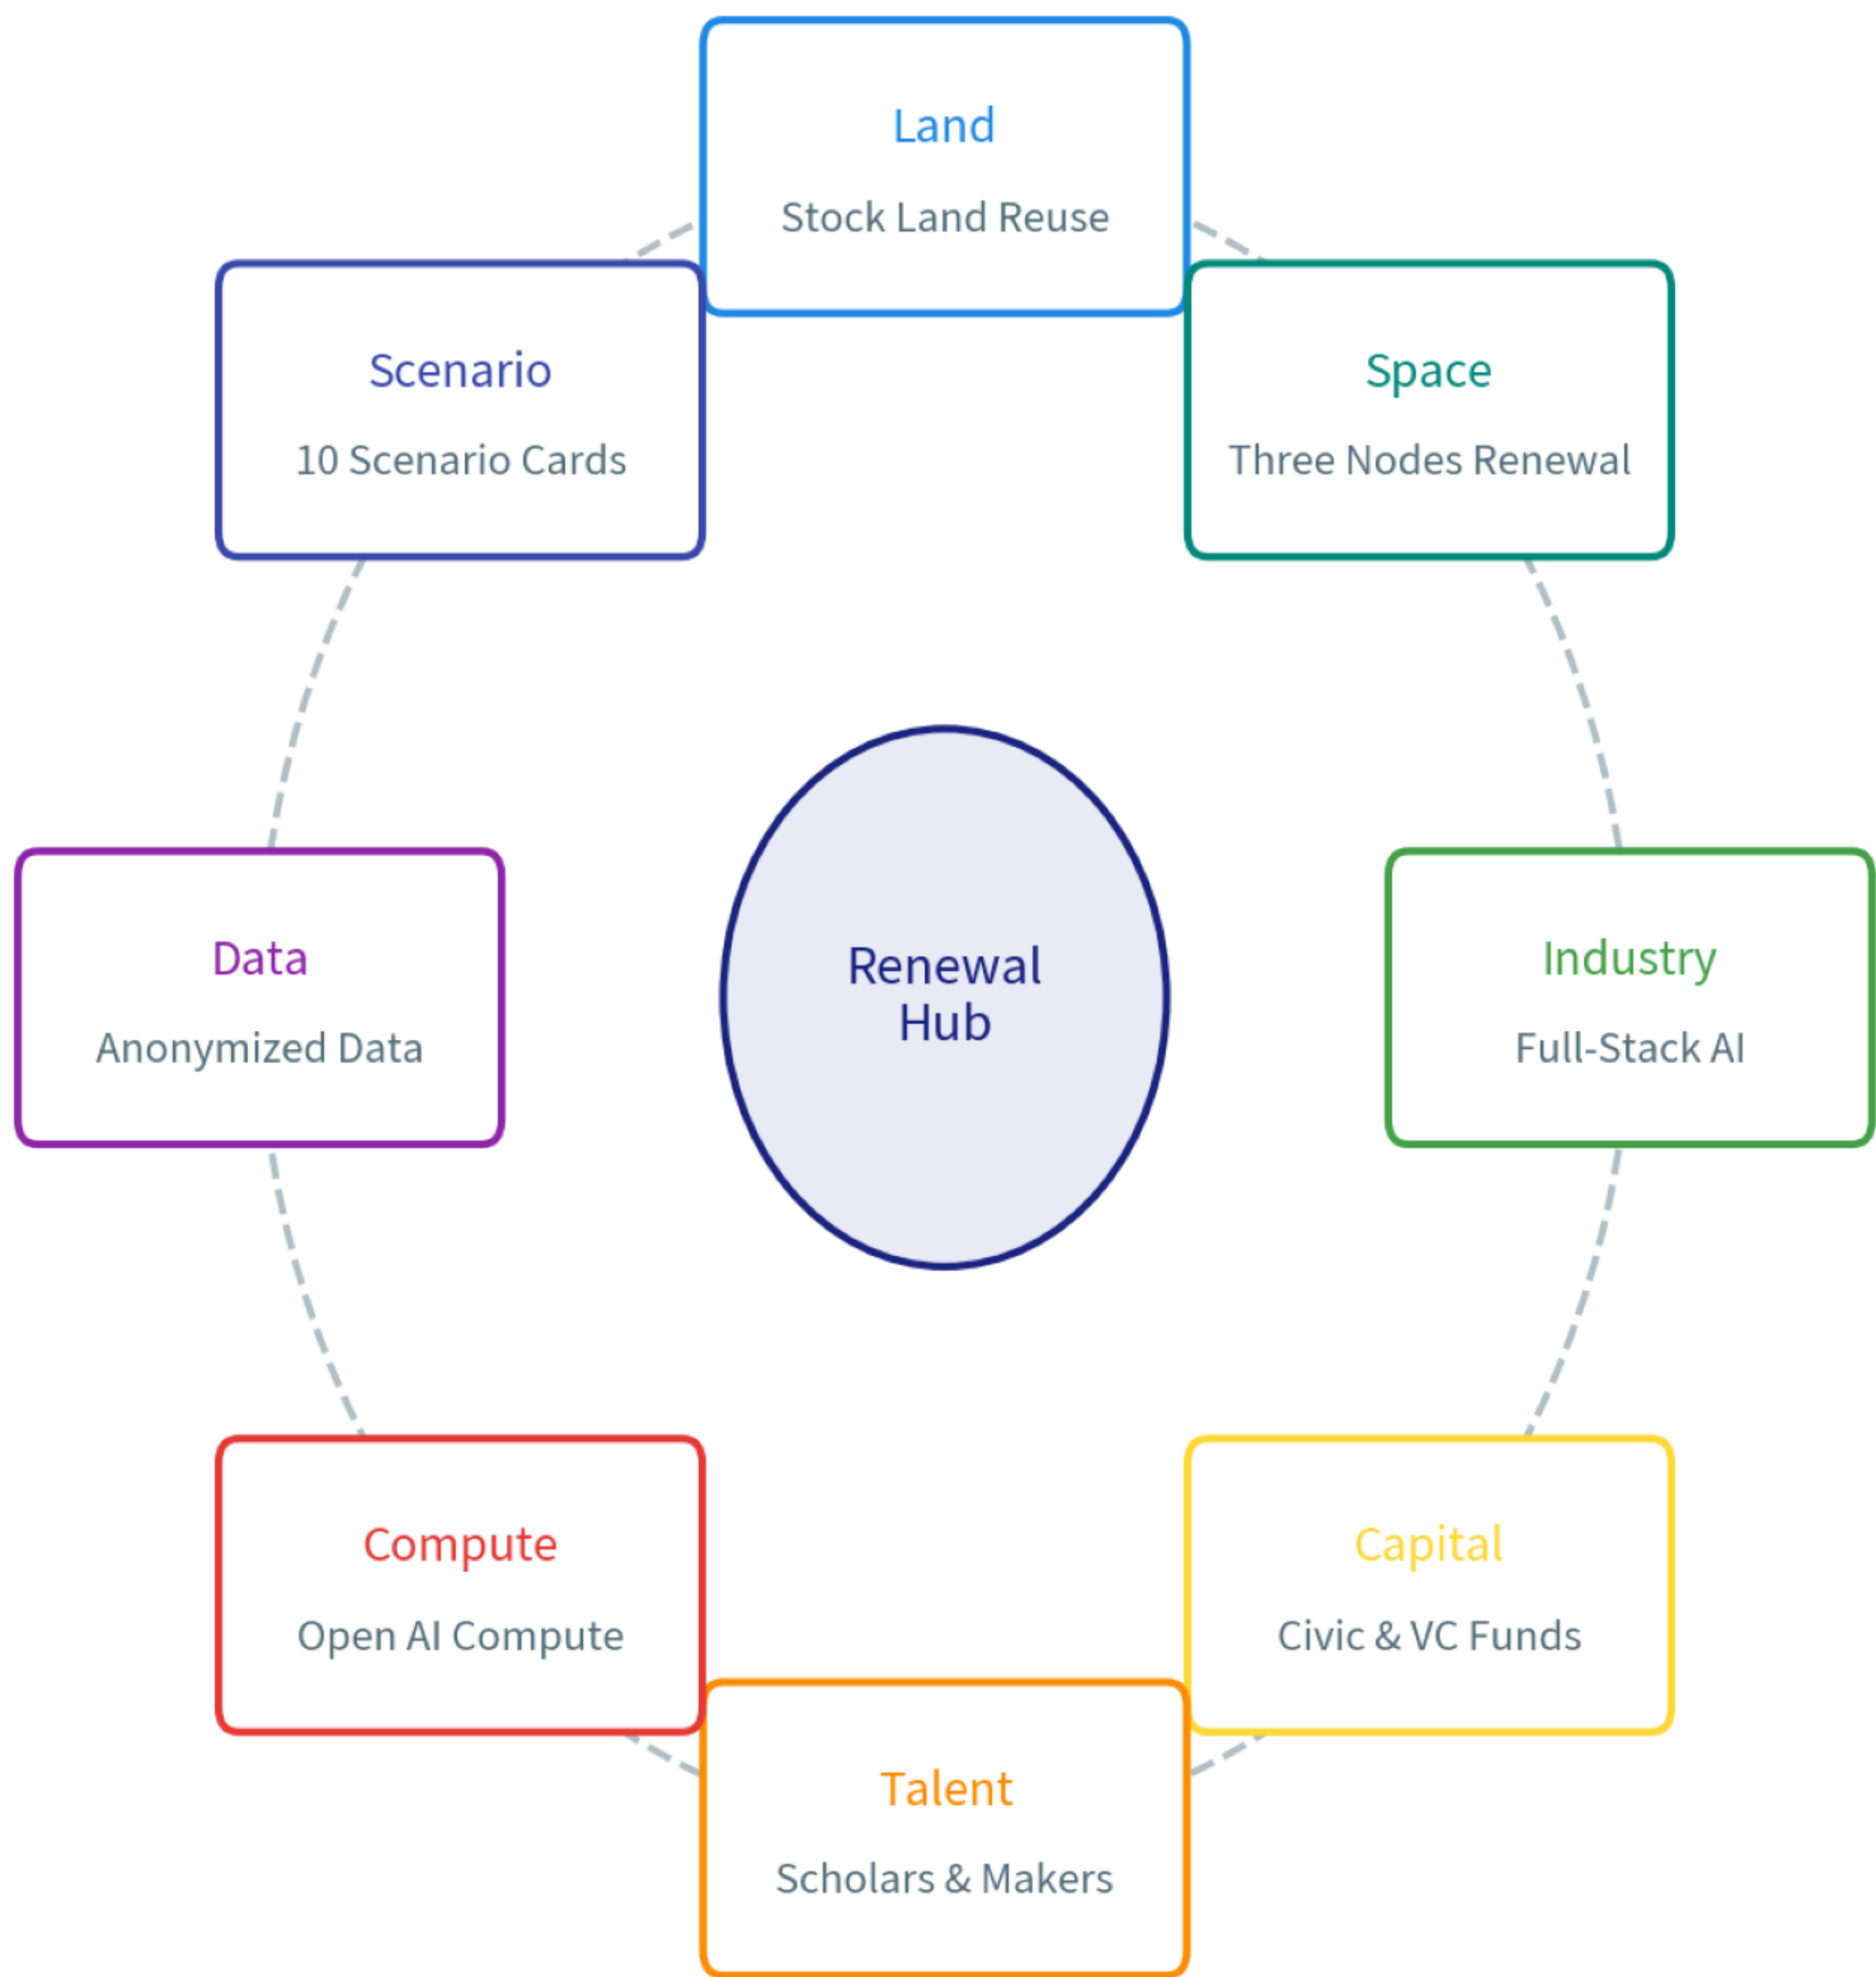

1. Single Caliber Principle: All land use shares are concept suggestions under single caliber.
2. Stock Renewal Priority: Prioritize stock asset adaptive reuse; no forced massive demolition.
3. Green Ratio Protection: Protect continuous green corridor; maintain green ratio >= 11.00%.
4. Recalculation Trigger: Recalculate precisely upon release of official statutory boundaries.

AI Innovation Ecosystem Map: Eight-Factor Loop & Scenario Cards (Concept)

Land, Space, Industry, Capital, Talent, Computing, Data & Scenarios Loop

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

【Eight-Factor Innovation Loop】

【10 AI+ Scenario Cards Deployment Index (SC-01 ~ SC-10)】

SC-01 Renewal Ledger Audit AI	留改坊 / Keep-Renovate
SC-02 Stock Space Matching AI	留改坊+单元坊 / Dual Nodes
SC-03 Progress Tracking AI	督行亭 / Gov Pavilion
SC-04 Public Feedback AI	督行亭 / Gov Pavilion
SC-05 District Health Check AI	全线节点 / Corridor-Wide
SC-06 Carbon Sink Sensing AI	绿带节点 / Green Belt
SC-07 Energy Load & Green Power AI	单元坊 / Unit Workshop
SC-08 Mobility Flow Optimization AI	督行亭+绿道 / Mobility Hub
SC-09 Low-Carbon Events AI	绿带节点 / Event Plazas
SC-10 Renewal Policy QA AI	留改坊 / Keep-Renovate

[合规边界] Data Compliance & Privacy Redlines

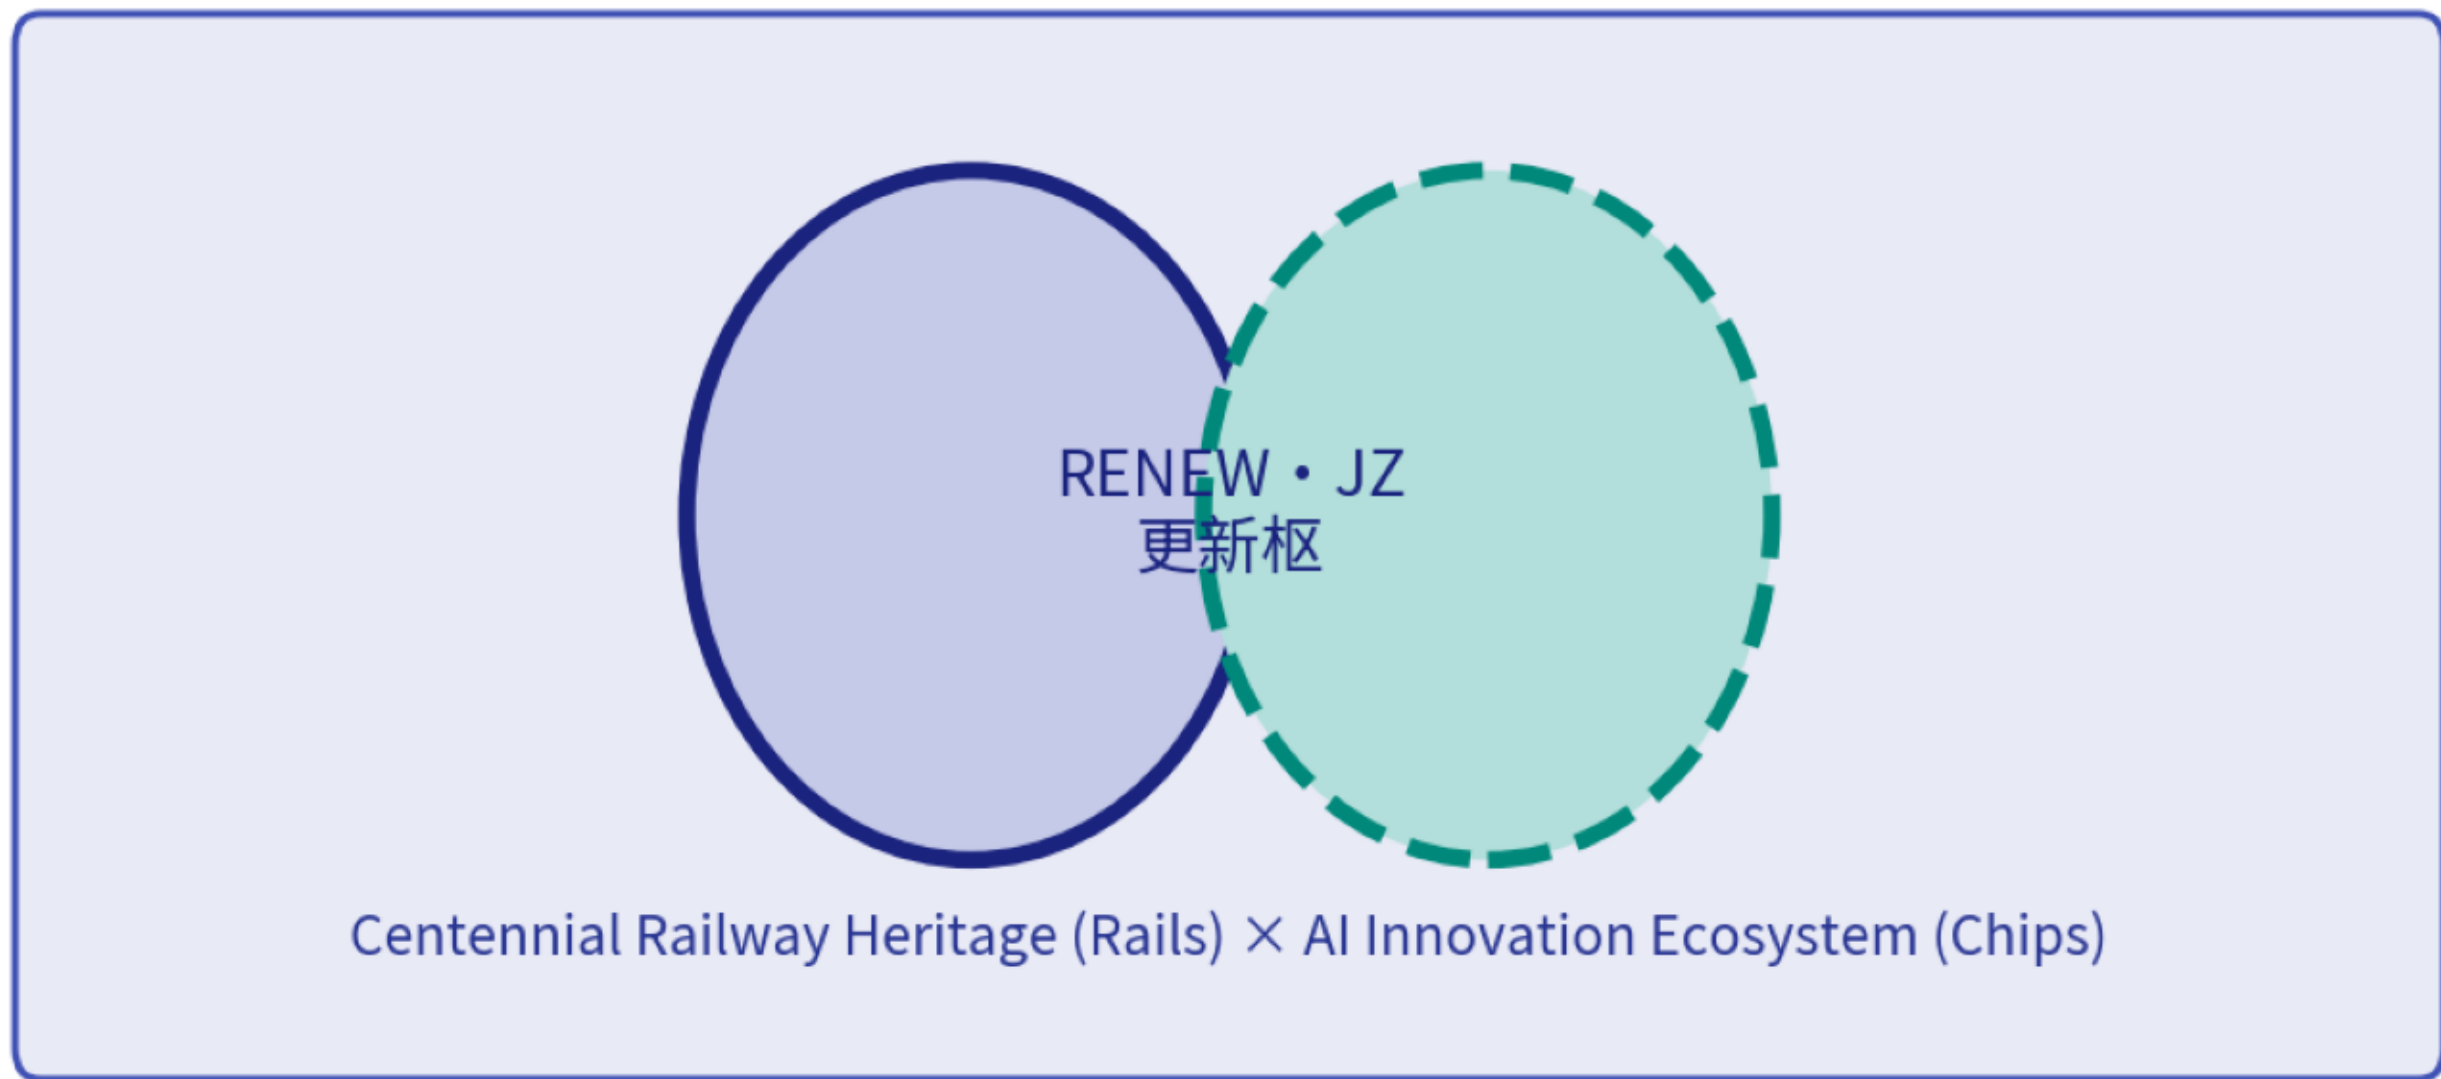

- Strictly limited to authorized anonymized aggregate data; no individual tracking.
- Human-in-the-loop audit for all critical decisions; automatic fallback to manual mode.
- Compliant with personal data protection and AI governance regulations.

RENEW • JZ Brand Identity & Cultural Narrative System (Concept)

Centennial Railway Heritage to AI Innovation: Storylines, Badges & Visual System

PROVISIONAL CONCEPT BOUNDARY • NOT AN OFFICIAL REDLINE • RECOMPUTE AFTER OFFICIAL DATA

【Brand Symbol & 'Rails to Chips' Dual Motif】

Main Slogan

"RENEW • JZ — Where the Century Railway Meets AI"
"KEEP • BLOCK — Keep the Memory, Renew the Future"

Dual Clue

From Centennial Jingzhang Rails to Zhongguancun AI Era

Modular Component Library

Modular reversible amenities (seats, shading, display racks, green planters) with unified bilingual branding

【'Centennial Jingzhang • Renewal Narrative' Four Seasons】

Spring: Rails Awake

历史遗存激活，铁路公园绿道贯通，创客入驻

Summer: Hub Emerges

留改坊与更新台账上线，夏日AI开源市集与开发者节

Autumn: Units In-Filled

单元坊功能织补示范，高校与科研院所成果中试展

Winter: Public Supervision

督行亭公示年度更新体检，坊主议事会与更新勋章表彰

【Three Node Honors & Amenities System】

● KEEP • BLOCK — Renewal Medal

Awarded for exceptional stock renewal contributions

● UNIT • BLOCK — Leaders' Council

Multi-stakeholder co-governance seats and compact

● PAVILION — Supervision Board

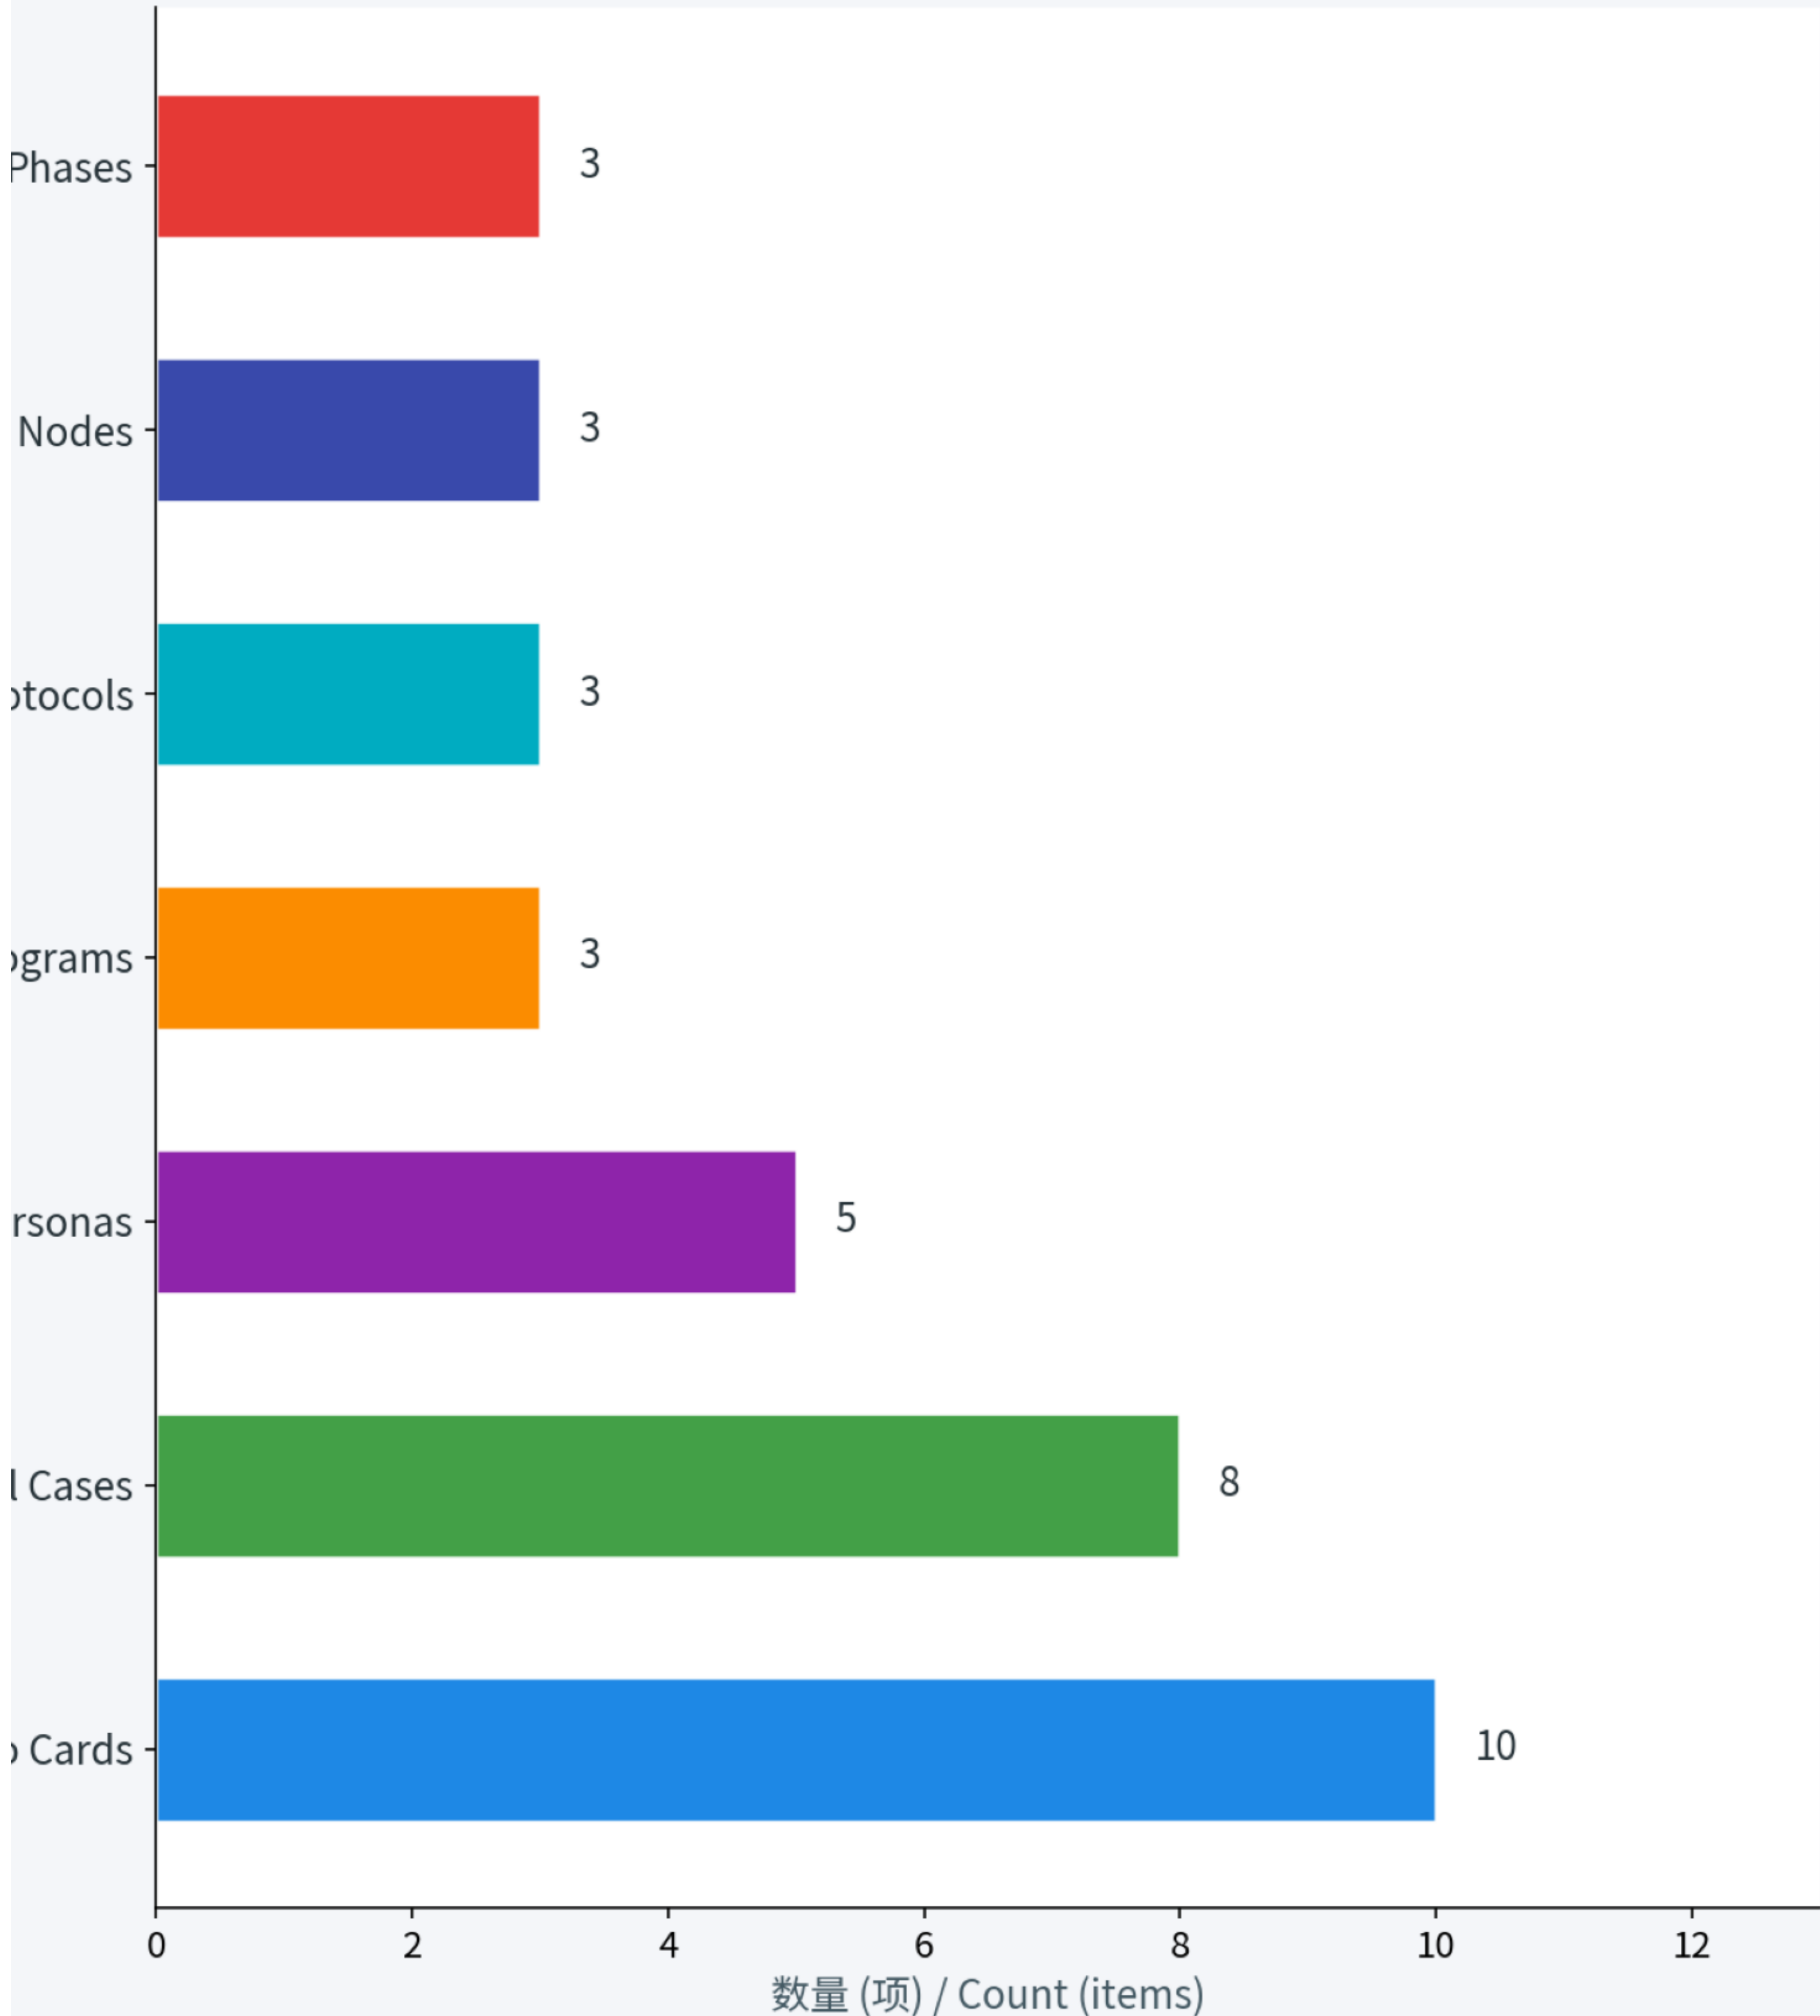

Public transparency board for progress and civic feedback

Core Metric Evidence: Counts & Ratios Plotted Separately (Provisional)

Recomputed from metrics.json; all metrics are concept evidence traceable to package artifacts

Count Metrics (Matches metrics.json exactly)

【Spatial Ratios & Core Scale Metrics】

Site Area (provisional)
11.41 km² (11,412,825 m²)

Green Ratio (concept)
11.00% (1,255,908 m²)

Public Space Ratio
0.32% (36,150 m²)

Road Network Length
10.15 km (10,154 m)

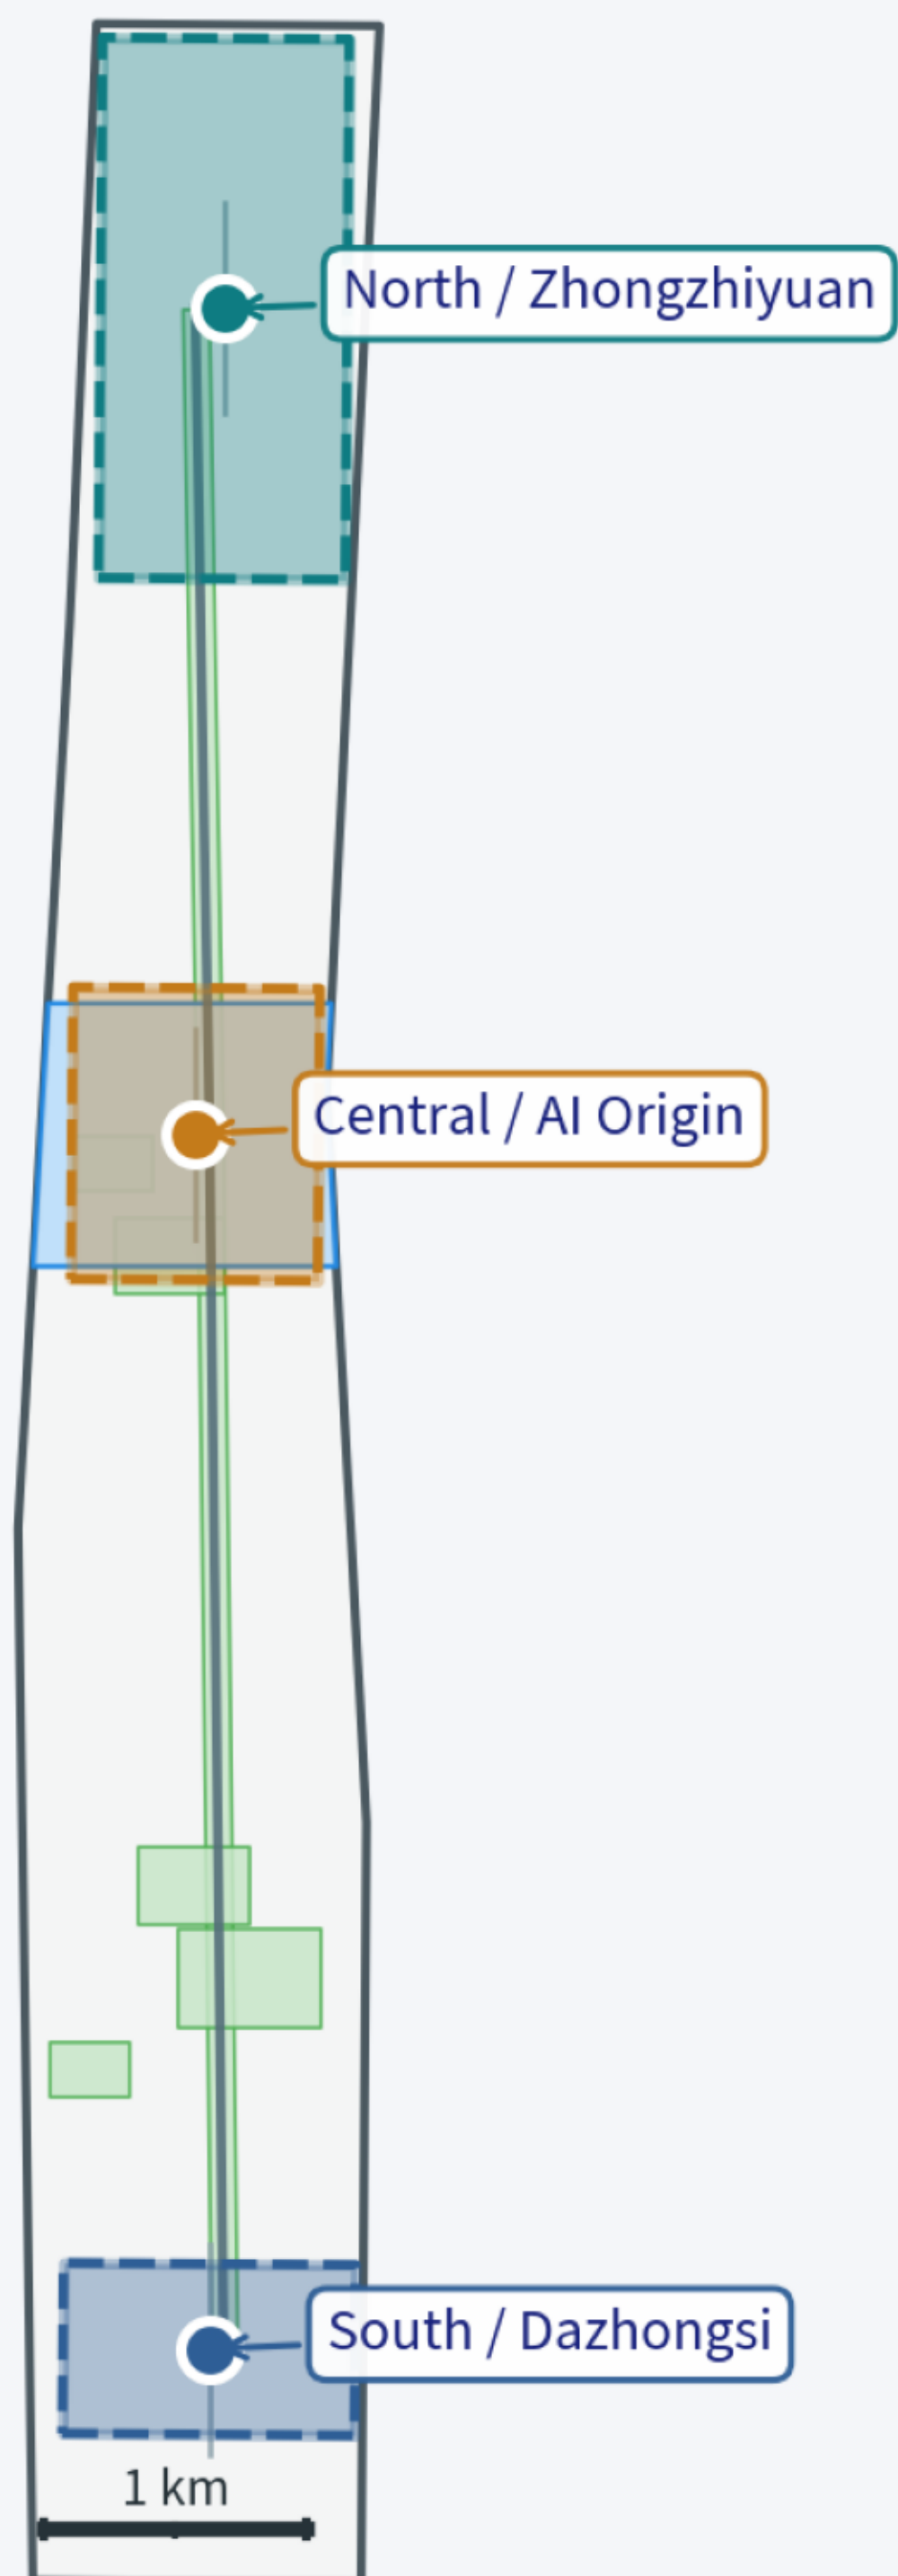

【Evidence Traceability & Integrity Note】

- Metric Integrity: All figures dynamically rendered from metrics.json; zero mock values.
- Evidence Traceability: 10 scenario cards, 5 personas, 8 cases mapped to text anchors.
- Gate Validation: Passed Spatial, Visual Readability, Deterministic & Evidence gates.
- Recalculation Note: Derived from provisional boundary; recomputed upon official data.
