SPATIAL RULE

Test failure, provide recovery, then decide limited adoption.

PUBLIC EXPERIENCE

All twelve scenarios keep staff, paper, phone or another ordinary route.

IMPLEMENTATION PROOF

Every card states baseline, bounded AI, operator, stop and restoration.

A SHADED COMMUTE

Walk 2.5m

Buffer 1.5m

Cycle 4.0m

Bioswale 2.0m

Run 2.5m

C1 stays clear; continuous canopy supplies real shade.

B RAIL HERITAGE

View 2.0m

Buffer 2.5m

Slow cycle 3.5m

Walk 2.5m

Keep sight lines and safety distance; avoid heritage kitsch.

C STATION ARRIVAL

Walk 3.0m

Cycle 4.0m

Short stay 2.5m

Service 4.0m

Parking and repair leave the through-route.

D LIGHT TRAIL

Eco buffer 3.0m

Trail 1.8m

Eco buffer 3.0m

No habitat lighting; close and recover after heavy rain.

FIVE DAILY JOURNEYS

SPATIAL RULE

Commute, lunch recovery, family evening and weekend culture share one network.

PUBLIC EXPERIENCE

Different ages do not compete for one showcase path.

IMPLEMENTATION PROOF

Timed journeys reveal conflict; non-AI completion and takeover act as guardrails.
