

GLORY•JZ — The Honor Belt

Three positions · five functions · three areas / two wings · response evidence

A reversible public-memory and public-contribution system along a slow green corridor.

CONCEPT / PROVISIONAL — not a confirmed plan, site, enterprise, policy or event.

District-differentiated AI architecture and scenes

Each loop declares space, subject, input/output, human review and an exit condition.

Three GLORY public-space modules / 一带三园

Evidence visuals and one metric contract

All paired pages use the same claims, legends, categories and provisional warnings.
