

WEAVE-STUDY LOOP (concept) • A3 booklet

Shared Study Space & Life-Age Learning Network (Conceptual Response to the valley - one night room)

Overall Design Overview: Three Study Hubs & Learning Spine (provisional geometry concept)

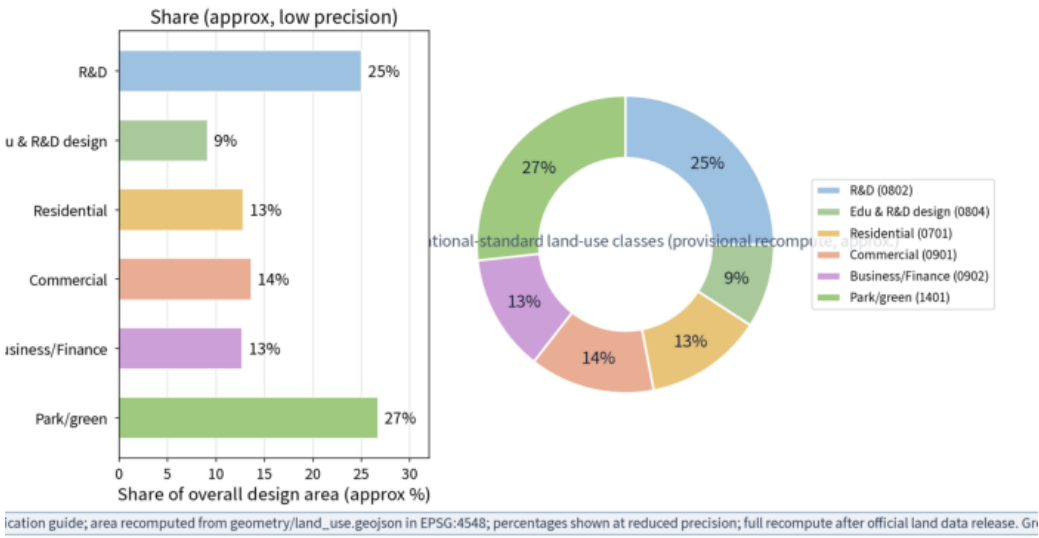

PROVISIONAL boundary • not an official redline • recalculate after official data release

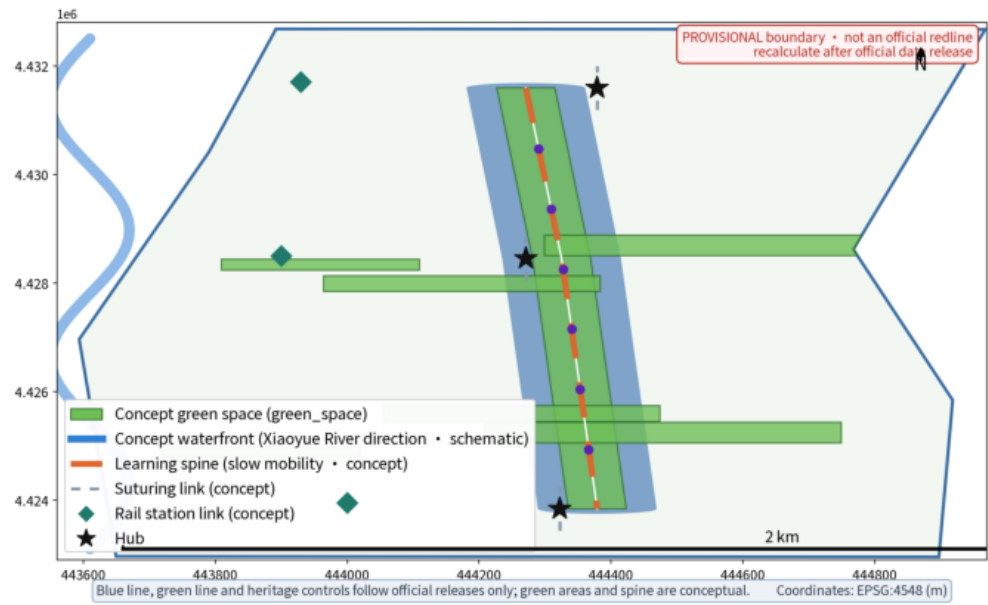

WEAVE-STUDY LOOP (concept) • A3 booklet

WEAVE-STUDY LOOP • STU • JZ Concept Proposal

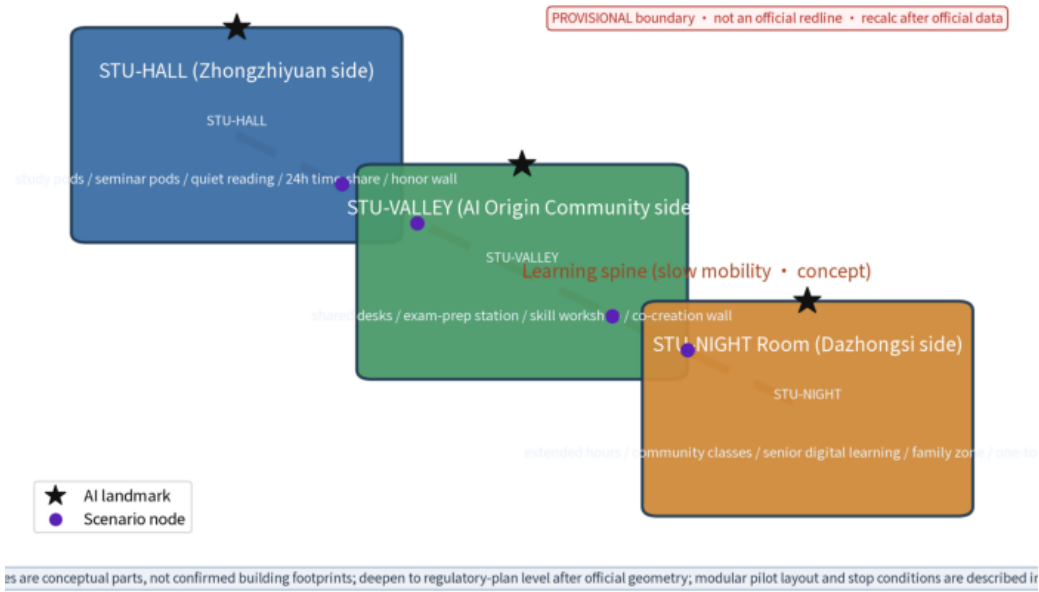

Land-Use Structure (concept • single caliber • recompute after official data release) • STU • JZ

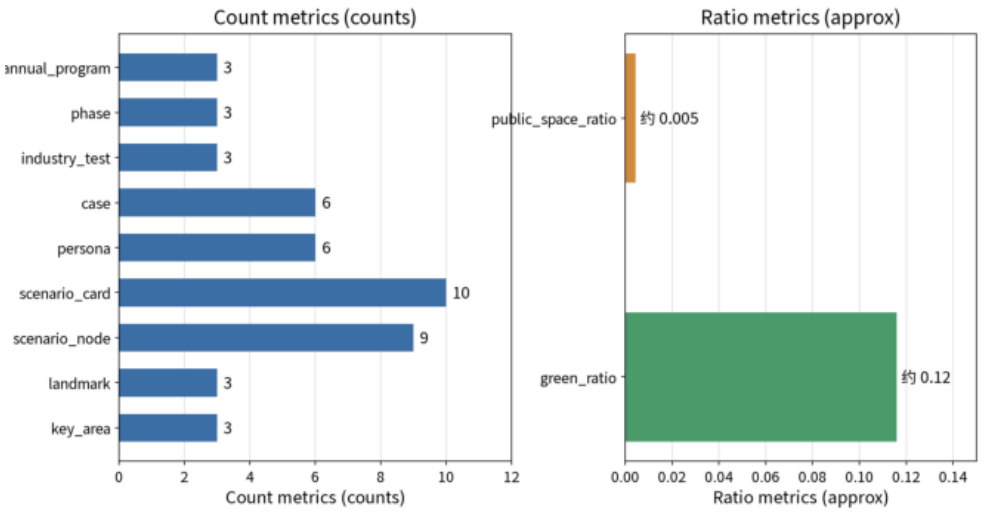

Low Mobility & Blue-Green Network: learning spine, concept green space & water (provisional geometry) • STU • JZ

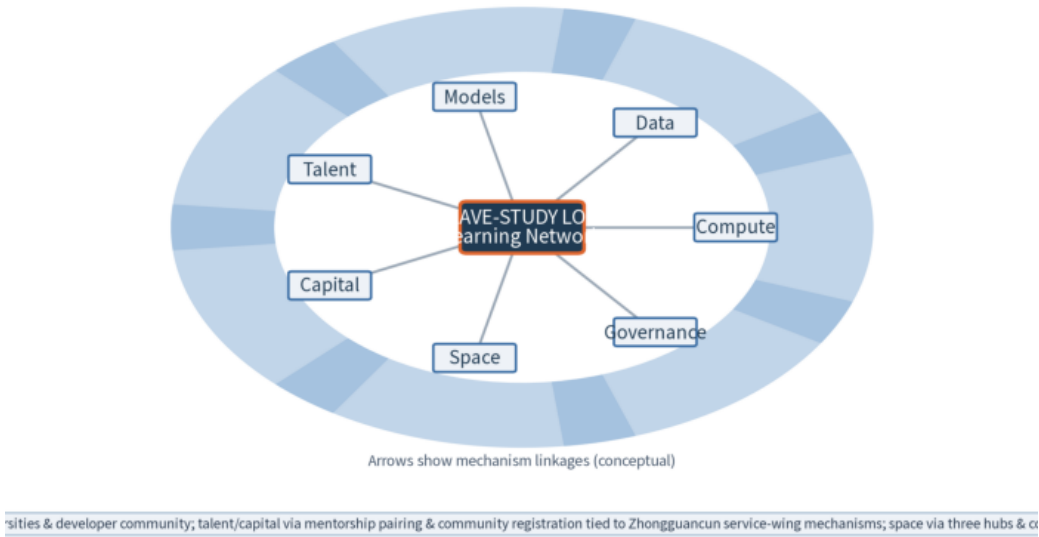

Three-Node Detailed Design: Hubs & Night-Room (modular pilot layout, schematic) • STU • JZ

Core Metric Evidence: counts and ratios on SEPARATE axes (low confidence, provisional) • STU • JZ

Innovation Ecosystem: Seven-Factor Atlas (agent.2, capability map, not an engineering/investment li) • STU • JZ

PROVISIONAL boundary • not an official redline • recalculate after official data release
